OFF-LIMITS ESTABLISHMENTS DESIGNATED BY COMMANDING OFFICER, MCB
CAMP LEJEUNE AND COMMANDING OFFICER, MCAS NEW RIVER

An off-limits area is defined as any business, building, place, structure, vehicle, conveyance, or area which military personnel are prohibited to patronize, enter, visit, use or ride. In accordance with BO 1620.10D, the installation commander has the authority to place an establishment off-limits if it is determined to be harmful to the welfare and safety of Marines, Sailors and their dependents. Visiting these places violates BO 1620.10D, which is a punitive order and violators, may be punished under the UCMJ. As a matter of policy, a change in ownership, management or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction. Accordingly, the Commanding Officers of MCB Camp Lejeune and MCAS New River, based on the recommendations of the AFDCB, have declared the following areas/establishments as off-limits areas/establishments to all armed forces personnel. Since these off-limits areas/establishments frequently change names, signs, and identifying features, these addresses, locations and general descriptions to make them clearly identifiable despite superficial changes done to them. The below listed off-limits areas/establishments will remain off-limits until deleted from this list by subsequent changes to this Bulletin.
