Commanding General, Marine Corps Installations East-Marine Corps
Base Camp Lejeune Designated Off-Limits Establishments

An off-limits area is defined as any business, building, place, structure, vehicle, conveyance, or area which Armed Forces personnel are prohibited to patronize, enter, visit, use, or ride. In accordance with reference (b), the installation commander has the authority to place an establishment off-limits if it is determined to be harmful to the welfare and safety of Armed Forces personnel and their dependents. Visiting these locations violates reference (b), which is a punitive order, and violators may be punished under the UCMJ.

As a matter of policy, a change in ownership, management or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction. Since these off-limits areas/establishments frequently change names, signs, and identifying features, these addresses, locations and general descriptions are designed to make them clearly identifiable despite superficial changes. Accordingly, the CG MCIEAST-MCB CAMLEJ, based on the recommendations of the AFDCB, has declared the following below areas/establishments as off-limits to all Armed Forces personnel. The below listed off-limits areas/establishments will remain off-limits until deleted from this list by subsequent changes to this Bulletin.
