(3) FY 2015 Guidelines for Training Assistance (TA) Program
(4) FY 2015 Guidelines for the Academic Degree Completion Program (ADCP)

1. Purpose. Marine Corps Base, Camp Lejeune (MCB CAMLEJ) relies on civilian Marines to perform its mission. To develop the most cost-effective, mission-oriented annual training plan, the Employee Training and Development Branch surveys the workforce leadership and updates mandatory training requirements identified by higher headquarters (HHQ). Enclosure (1) is developed using the data from this annual survey.

2. Background. To publish guidance and policy for the FY 2015 Marine Corps Installations East (MCIEAST)-MCB CAMLEJ civilian workforce training curriculum.

3. Action

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. The importance of training the civilian Marine workforce cannot be overstated. Providing professional education to our civilians is equivalent and as important as providing Professional Military Education to our active duty Marines. The return on investment is a civilian workforce that is sharp, able, and ready to meet today's demanding workplace challenges. Training must be designed to develop professional competencies at all levels, enhance leadership and management skills, and raise safety and security awareness. Supervisors are responsible for informing their employees about training requirements and learning opportunities. Training requests will be approved by supervisors based on developmental needs and mission requirements. Programs of professional development administered under this policy must be consistent with Merit System Principles. Identification and selection of employees for training

and development opportunities must be done fairly and equitably, without regard to political affiliation, race, color, religion, national origin, sex, marital status, sexual orientation, status as a parent, age, or handicapping condition.

(2) Concept of Operations. The annual civilian training plan consists of all mandatory training as required by HHQ and this Command as well as elective courses designed to enhance workforce efficiency. Supervisors are responsible for identifying specialized job-related training requirements for their employees. Contact the Employee Training and Development Program Manager at (910) 450-7475 for assistance. To ensure supervisors and employees are kept informed of frequent civilian training schedule changes, the Workforce Learning Center (WFLC) will publish course locations, dates and times in a separate document and update it on a regular basis. This document will also include the current list of mandatory training and links to online training. It will be distributed via email to all supervisors of civilian employees and posted to the G-1 SharePoint site: <https://intranet.mcieast.usmc.mil/sites/g1/CIVILIAN%20HUMAN%20RESOURCE%20OFFICE/EmpDevBranch/Pages/default.aspx>. Contact the WFLC if you experience difficulty accessing this site. The training programs listed below provide additional opportunities for career and leadership development:

(a) Civilian Leadership Development Program (CLDP). The CLDP is an integral part of the MCB CAMLEJ civilian training program, and has been established to provide opportunities for both current and future civilian supervisors and managers to develop their leadership skills. Enclosure (2) provides guidelines for the CLD.

(b) Core Leadership Group. The Core Leadership Group consists of all supervisors (civilian and military) of civil service employees. Supervisors are expected to maintain and develop their management skills by completing continuing education in leadership competencies. Members of the Core Leadership Group are encouraged to support the CLDP through their own active participation in the program, acting as mentors, and encouraging their employees to participate.

(c) Tuition Assistance (TA). TA funding is available to MCIEAST-MCB CAMLEJ civil service employees through the TA and Academic Degree Completion Programs. Training assistance is used by this Command to enhance the skills of the civilian workforce by providing funding for job-related training or courses. Enclosure (3) provides the guidelines for this program. The Academic Degree Completion Program has been established by Headquarters U.S. Marine Corps to provide financial assistance to employees whose goal is to obtain a college degree or job-required certification. This program is available to all Marine Corps career civil service employees who choose to participate in the CLDP. Enclosure (4) provides the guidelines to this program.

b. Subordinate Element Missions

(1) Commanders and General and Special Staff Department Heads are required to ensure their civil service employees are familiar with the contents of this bulletin and that training is completed as prescribed in enclosure (1).

03 DEC 2014

(2) Each department will establish a training liaison to serve as the point of contact for training coordination with the WFLC for their section. Enclosure (5) provides detailed information.

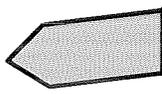

c. Coordinating Instructions. The mandatory civilian training will be provided via the Total Workforce Management System and automatically uploaded to employees' permanent records. For mandatory courses and training eight hours or more completed via other sites and/or internet web sites, employees need to print the completion certificate and provide a copy to their training liaison who will submit to the WFLC. The training liaison at each site is responsible for scanning and emailing a copy of the certificate to lejeune_wflc@usmc.mil or faxing it to the WFLC office at (910) 451-8392. The following information must be included on each certificate: name, work section, phone number, course hours, start and end date, mandatory (if applicable), and last four digits of the Social Security Number. Only certificates for mandatory training and courses eight or more hours in length should be submitted to the WFLC. Certificates must be submitted within two weeks of course completion.

4. Administration and Logistics. All civil service employees are required to have an Individual Development Plan (IDP). This tool allows employees and supervisors to work together to create a plan for completing mandatory training requirements and establishing developmental activities to help achieve career goals. IDPs must be established no later than 15 January 2015 for current employees and within 30 days of hiring for new employees. IDPs are available in the total Workforce Management Services (TWMS) system at <https://twms.nmci.navy.mil/selfservice>. Enclosures (6) and (7) provide an IDP format for non-supervisory and supervisory personnel, respectively, who do not have computer access. In addition, supervisors are responsible for keeping their employees informed about training opportunities, and to ensure employees complete all mandatory training identified in enclosure (1) by the deadline date listed or 30 September 2015.

5. Reserve Applicability. This Bulletin is applicable to all MCIEAST-MCB CAMLEJ civil service employees and their military or Non-appropriated Fund (NAF) supervisors.

FY 2015 Training Plan for Civil Service Employees

Camp Lejeune's civilian training plan provides for mandatory training for supervisors and non-supervisors as well as technical, job skill, leadership, and professional development training. A schedule of all civilian training is published on a regular basis and distributed via email to supervisors and posted to the Civilian Training SharePoint site at <https://intranet.mcieast.usmc.mil/sites/g1/CIVILIAN%20HUMAN%20RESOURCE%20OFFICE/EmpDevBranch/Pages/default.aspx>. Contact the WFLC if you experience problems accessing this site.

IDPs

All employees are required to have an IDP. Supervisors are responsible for working with their employees to develop IDPs that meet their training requirements. The IDP must list all mandatory and elective training planned for 2015. IDP format is available through the TWMS at <https://twms.navy.mil/selfservice/login.asp>. Enclosures (6) and (7) are provided for non-supervisory and supervisory personnel who do not have computer access. Assessment tools such as the one included in the Civilian Workforce Development Application (CWDA) may be used to assist in the preparation of the IDP.

CWDA

The CWDA is a web-based application developed to help civilian Marines with professional development by providing access to information about the knowledge, skills, and abilities needed for them to be successful in their jobs. Employees can use the application to conduct self-assessments of their skills compared to job requirements and identify any gaps. The employee will also have the opportunity to invite their mentor and supervisor to participate in the assessment process and provide feedback. The application website is <https://cwda.manpower.usmc.mil>. If you have trouble accessing this site, contact the Administrator at (910) 451-4793.

FY 2015 Guidelines for the Civilian Leadership Development Program (CLDP)

The CLDP provides a means for civilian employees to develop the critical core competency and leadership skills needed to advance in their careers.

Eligibility

The CLDP is available to all Marine Corps Civil Service and Non-Appropriated Fund employees interested in self-development. Also open to Navy and Coast Guard civilian employees.

CLDP

The CLDP is designed to enhance participants' leadership competencies through assessment, mentoring, planning, and developmental activities. CLDP participants complete an assessment of their leadership competencies and work with a mentor to develop a personalized plan for leadership development. Participants will document their goals and developmental activities on an Individual Leadership Development Plan.

Leadership Planning. Leadership development requires a commitment by the employee to prepare a realistic and focused ILDP, as well as support by civilian and military supervisors at all levels to help achieve the Plan goals. The CLDP will ultimately provide civilian Marines with career maps, access to mentors, access to competitive and non-competitive training, and developmental opportunities that will provide them increased opportunities for career growth.

Leadership Development. One of the goals of the CLDP is to improve leadership skills and competencies of all civilian Marines. Listed below are the CLD Framework core competencies:

- o **Leading Change:** Involves the ability to bring about strategic change, both within and outside the organization, to meet organizational goals.
- o **Leading People:** Involves the ability to lead and inspire a multi-sector group, not only employees—civilian and military, but also other government agency personnel at the Federal, state, and local levels, as well as contractors and grantees, towards meeting the organization's vision, mission, and goals.
- o **Results Driven:** Involves the ability to meet organizational goals and customer expectations.
- o **Business Acumen:** Involves the ability to manage human, financial, and information resources strategically.
- o **Building Coalitions:** Involves the ability to build coalitions internally and with other Federal agencies, state, and local governments, nonprofit and private sector organizations, foreign governments, or international organizations to achieve common goals.

03 DEC 2014

- o **Enterprise-Wide Perspective:** Involves a broad point of view of the DoD mission and an understanding of individual or organizational responsibilities in relation to the larger DoD strategic priorities.
-

To enroll in the CLDP or for additional information, contact the MCIEAST-MCB CAMLEJ CLDP Administrator at (910) 451-4793.

FY 2015 Guidelines for Training Assistance (TA) Program

1. Recognizing the value of a competent, highly educated civilian workforce, MCIEAST-MCB CAMLEJ implemented a training assistance program for civil service employees in 2005. This will continue in 2015, provided sufficient funds are available to support the program. This program allows civilian personnel to participate in training and education that improves individual job performance and contributes to the mission and performance goals of the Base.

2. Eligibility Criteria

a. Full-time civil service employees serving on a career, career-conditional, or term appointment are eligible. Temporary employees, NAF employees, military personnel, and contractors are not eligible for this program.

b. Part-time civil service employees who work 16 or more hours per week with a career, career-conditional, or term appointment are eligible.

c. The TA Program provides funding for job-related training that improves individual performance and contributes to the organization's mission and performance goals. The training must be related to the knowledge and skills required by the employee's current position or to prepare for anticipated official duties. While training for the sole purpose of obtaining an academic degree is not permitted under this program, job-related college courses are covered. Civilian employees who are in a degree program should apply for assistance under the ADCP.

d. Payment may be made directly to the training vendor or educational institution provided they accept the SF-182 form and agree to bill the government. If they do not accept the SF-182, students will pay the tuition, notify the WFLC of the change, and request reimbursement after completing the course.

e. ~~Personnel receiving educational benefits such as the Government Issue Bill, Veteran Affairs Benefits, or scholarships that cover the full cost of the training are not eligible to receive funding for college tuition under the TA Program.~~

f. Personnel from commands other than MCIEAST-MCB CAMLEJ are not eligible for assistance under this program.

3. Expenses Covered

a. College Courses: If an employee is approved for TA and sufficient funds are available, this command will pay for tuition and required textbooks up to 1,500 dollars per FY. Exceptions to this limit will be made on a case-by-case basis. No other expenses are covered by the Program. The college must be accredited by a nationally recognized accrediting body to provide a curriculum of post-secondary education.

b. Other Training: TA funding may be approved for job skill training from commercial training vendors up to \$1,500 per FY. Exceptions to this limit will be made on a case-by-case basis. The employee's work section would be responsible for any Temporary Additional Duty costs incurred. If there is sufficient demand for a course to make it more cost efficient to conduct it locally, the WFLC will make arrangements to bring the training to MCB CAMLEJ.

c. Funding: All funding must be approved prior to the course start date.

4. Continuation of Service. Applicants will be required to sign a continuation of service agreement equal to three times the number of course hours.

5. Repayment of Expenses. Employees receiving TA will be required to sign and submit a Reimbursement Agreement agreeing to repay funds advanced on their behalf if they fail to successfully complete the course. For academic courses, this means a grade of "C" or higher ("B" for graduate level courses.)

7. Instructions for Applicants

a. Discuss your training requirements with your supervisor and document the training you select on your IDP.

b. Complete a Form SF-182 for each course of instruction. Funding must be approved prior to the course start date. Please contact the WFLC at (910) 451-4793 for this form in Adobe format. The SF-182 must be typed. Obtain your first and second line supervisor signatures. Also, sign and submit with the SF-182 the Agreement to Reimburse the Government for training not completed. See Attachment (A).

c. Submit the signed SF-182 with original signatures to the Employee Development Administrator (Building 524, WFLC). The application for assistance must be submitted no later than seven calendar days prior to the first class meeting.

d. You will be notified by e-mail when the training request has been approved. You will then pick up the approved SF-182 and submit it to the school so that the tuition may be billed to the WFLC. If the school does not accept the SF-182, you may pay the tuition and be reimbursed after completing

the course. In most cases, you will be required to pay for your textbooks and request reimbursement after completing the course. Some schools, e.g., Coastal Carolina Community College, Campbell University, etc., will accept a SF-182 when you obtain your books from their bookstore.

e. When you have completed the course, you must submit proof of satisfactory completion (certificate or grade of "C" or better, "B" for graduate level courses) to the Employee Development Administrator. If you are requesting reimbursement, you must complete the form SF-1164 and submit it along with receipts for tuition and or books. These documents must be submitted within two weeks after the ending date of the course. The reimbursement request will be processed and forwarded to Defense Finance and Accounting Service for payment.

f. Employees who fail to complete the course for which TA has been approved will be required to repay the government the full amount paid to the school on their behalf.

g. For further information on the TA Program, please contact the Employee Training and Development Coordinator at (910) 451-4793.

FY 2015 Guidelines for the Academic Degree Completion Program (ADCP)

The ADCP provides financial assistance to Marine Corps Civil Service employees whose goal is to obtain a college degree.

Eligibility

The ADCP is available to all Marine Corps Career Appropriated-Funded Civil Service employees who choose to participate in the CLDP. Funding for academic degree completion is authorized only to individuals participating in planned, systematic, and coordinated professional development programs. Employees must be active participants in the CLDP before applying for the ADCP.

CLDP

The CLDP provides a means for Civilian Marines to develop the critical core competency skills needed for supervisory, managerial, and executive positions. The program is designed to enhance participants' leadership competencies through assessment, mentoring, planning, and developmental activities. The CLDP is open to career Civilian Marines at all grade levels who are interested in self-development. Participants will document their goals and developmental activities on an ILDP. Contact the CLDP Administrator at (910)-451-4793 for additional information on the CLDP.

Degree Programs

The degree program must be in a field related to the applicant's current position or in one that will help meet their career goals within the Marine Corps. Funding is permitted for any course of post-secondary education that is offered by a nationally accredited educational institution. Information about the degree programs offered locally is available at the Lifelong Learning Center, Building 825. Information is also available online at <http://www.mccslejeune.com/edu>. This site will identify the colleges and universities available on site. You are not limited to these colleges - you may attend any accredited educational institution. Another site with valuable information to assist you in your degree completion search is DANTES, [http://www.dantes.doded.mil/Dantes web/DANTESHOME.asp](http://www.dantes.doded.mil/Dantes%20web/DANTESHOME.asp).

Certifications

In addition to academic degree training, this program can be used to pay for expenses associated with obtaining professional credentials. Costs associated with obtaining and renewing professional credentials, licenses, and certifications may be reimbursed under this program. The professional credential, accreditation, license, certification, and/or examination must be highly relevant to the performance of the employee's official duties.

ILDP

The academic degree or certification must be included as a developmental goal in your ILDP. In addition, you should list any college courses that provide training in CLDP competencies on the ILDP form under the appropriate competency. For example, if you are taking an English course, you would list the course under the "Written Communication" competency.

03 DEC 2014

Covered Expenses

Provided funds are available, you will be reimbursed for tuition and book expenses up to the maximum rate, not to exceed 4,000 dollars per FY.

Approval

You will be notified when your application for the ADCP is approved. The SF-182 for each course must be submitted prior to the class start date. You will not be reimbursed for courses not approved prior to the start date of the course.

Application Package

1. Application for the Academic Degree and Certification program.
2. Copy of your 2015 ILDP that includes educational goals.
3. Copy of your course curriculum from the college or university.
4. SF-182 for each course to be taken this FY.
