MARINE CORPS INSTALLATIONS EAST-MARINE CORPS BASE CAMP LEJEUNE ORDER 5090.115

From: Commanding General
To: Distribution List

Subj: HUNTING, FISHING, TRAPPING, BOAT LAUNCHING AND FIREWOOD REGULATIONS

Ref: (a) NC General Statutes (Current) (NOTAL)
(b) Title 15, Chapter 10, NC Administrative Code (Wildlife Resources and Water Safety) (Current) (NOTAL)
(c) Title 15, Chapter 3, NC Administrative Code (Marine Fisheries) (Current) (NOTAL)
(d) U.S. Migratory Bird Treaty Act (NOTAL)
(e) Endangered Species Act of 1973 (NOTAL)
(f) Lacey Act (NOTAL)
(g) MCO P5090.2A w/Ch 1-2 (NOTAL)
(h) JAG Manual (NOTAL)
(i) NAVMC DIR 5090.4A (NOTAL)
(j) BO 5500.1G
(k) MCO 5500.6H
(l) BO 5810.3H w/Ch 1
(m) MCO 5580.2B (Law Enforcement Manual)
(n) BO 5090.111
(o) BO 5560.2N
(p) MCO 3570.1B

Reports Required: I. Harvest Report (MCIEAST-MCB CAMLEJ (Report Control Symbol -5090.115-01)
II. Hunting Accident Report (Report Control Symbol MCIEAST-MCB CAMLEJ -5090.115-02)
III. Trapping Report (Report Control Symbol MCIEAST-MCB CAMLEJ -5090.115-03)

1. Situation. References (a) through (c) set forth the North Carolina hunting, fishing, and trapping regulations. References (d) through (f) regulate taking migratory birds and protecting endangered species. Reference (g) promulgates fish and wildlife management and forestry management programming on military reservations. References (h) through (m) outline execution of administrative investigations, arming of law enforcement officers, search and seizures, criminal investigations, and use of force. Reference (n) regulates the use of off-road recreational vehicles aboard MCB Camp Lejeune.

2. Cancellation. BO 5090.115 w/Ch 1 and BO 11015.8E.

3. Mission. To publish regulations and procedures governing hunting, trapping, scouting, dog training, firewood collection, fishing, and boat launching on MCB Camp Lejeune, Marine Corps Air Station (MCAS) New River, and Marine Corps Outlying Field (MCOF) Oak Grove, North Carolina.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

20 JUN 2012

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Hunting, fishing, and trapping shall be in compliance with references (a) through (c), this Order, and all other applicable Federal, State, and County laws and regulations.

(2) Concept of Operations. This Order fully adopts those regulations and procedures required in the implementation of State/Federal regulations, and implements local applicable provisions relating to the recreational use identified herein. Annual bag limits and seasons shall be in compliance with State and Federal regulations.

5. Administration and Logistics

a. This Order falls under the cognizance of the Commanding General (CG), Marine Corps Installations East-Marine Corps Base Camp Lejeune (MCIEAST-MCB CAMLEJ), and can be modified and waived as the CG deems necessary and appropriate to support requirements as they develop. Any recommended changes should be presented to the Assistant Chief of Staff (AC/S), Installations, Facilities and Environment (IFE).

b. The Base Conservation Law Enforcement Officer (CLEO) Section, Environmental Conservation Branch (ECON), Environmental Management Division (EMD), AC/S IFE is charged through the section's immediate supervisor, to request assistance and work effectively and harmoniously with State and with administrating this Order and shall take the initiative, Federal personnel engaged in the enforcement of fish, wildlife, and natural resource conservation regulations. Bulletins announcing regulatory changes or clarifications may be published periodically. The Base CLEO shall provide technical guidance to the MCAS New River CLEO section on enforcement and accident investigation as requested.

c. ECON is charged with administering the fish, game and nongame management programs aboard MCB Camp Lejeune, MCAS New River and MCOLF Oak Grove.

d. Punitive Effect. Military, retired military, dependents, and civilians who violate this Order, Federal, State or County hunting, fishing and trapping regulations may be prosecuted under Article 92 of the Uniform Code of Military Justice, or referred to the Special Assistant U.S. Attorney (SAUSA) for prosecution as appropriate, in addition to any administrative action taken regarding hunting, fishing and trapping privileges.

6. Command and Signal

a. Command. This Order is applicable to MCB Camp Lejeune, MCAS New River, and all tenant commands.

b. Signal. This Order is effective the date signed.

D. L. THACKER, JR.
Deputy Commander

Chapter 1

Definitions

1. Definitions. For the purpose of this Order, the following will be explained, respectively, to mean:
 - a. Closed Season. The time when birds or animals may not be taken.
 - b. Fur-bearing Animals. Skunk, muskrat, nutria, weasel, beaver, mink, otter, bobcat, opossum, coyotes, and raccoon when lawfully taken with traps.
 - c. Game. Wild animals legal to hunt during the appropriate open season.
 - d. Game Animals. Deer, bear, squirrel, rabbit, fox, bobcat, opossum, and raccoon, except when trapped per provisions relating to fur-bearing animals.
 - e. Nongame Animals. All wild animals except game and fur-bearing animals.
 - f. Nongame Birds. All wild birds except upland game and migratory game birds.
 - g. Open Season. The announced time when birds or animals may be lawfully taken. Each time period prescribed as an open season includes the first and last days thereof.
 - h. Small Game. Squirrel, rabbit, quail, dove, opossum, and all legally designated game.
 - i. To hunt. To take.
 - j. To take. All operations during, immediately preparatory, and immediately subsequent to an attempt, whether successful or not, to capture, kill, pursue, hunt, or otherwise harm or reduce to possession any fisheries or wildlife resources.
 - k. Transport. Move or cause to be moved either physically or mechanically, shipping, transporting, carrying, importing, exporting, or receiving or delivering for shipment, transportation, carriage or export.
 - l. Possession. Control of articles, property, or wildlife without regard to ownership.
 - m. Upland Game Birds. Quail and wild turkey.
 - n. Migratory Game Birds. Duck, goose, brant, rail, dove, woodcock, and snipe.
 - o. Threatened and Endangered Species. Green Sea Turtle, Leatherback Turtle, Atlantic Loggerhead Turtle, Hawksbill Turtle, Atlantic Ridley Turtle,

Fin Whale, Right Whale, American Alligator, Red-Cockaded Woodpecker, and Eastern Cougar.

p. Inland Game Fish. Inland game fish may be taken only with hook and line. On Base they include: largemouth bass, chain pickerel, striped bass, white perch, yellow perch, bluegill, crappies, redbreast sunfish, red-ear sunfish, channel catfish, and all other species of perch, pickerel and sunfish. Spotted sea trout, flounder, and red drum are also considered inland game fish when found in inland waters.

q. Suspension. Loss of privilege for a time determined by Base Order or Conservation Hearings Officer, after which privilege is automatically reinstated.

r. Revoke. Permanent loss of privileges.

s. Civilian Employee. Civil Service and Non-appropriated Fund employees assigned to or employed on MCB Camp Lejeune, MCAS New River, MCOLF Oak Grove, and MCAS Cherry Point, including Civil Service and Non-appropriated Fund employees who retire from these installations. This does not include contractors working on these installations.

t. Civilian(s). Civilians, other than civilian employees, and dependents.

u. Bait. Natural or processed food products or flavorings used to lure and/or entice wildlife. Bait includes but is not limited to sugar, honey, syrups, oils, salts, spices, peanut butter, grease, meat, bones, blood, fruits, nuts or grains and extracts of such products.

v. Electronic Fish and Wildlife Conservation Tracking System (e-FAWCTS). Electronic web based system used for tracking hunters checking in, checking out and harvest reporting.

w. Primary Road. Any paved road surface marked with center line on MCB Camp Lejeune, MCAS New River, and MCOLF Oak Grove.

x. Archery Equipment. Long bows, recurve bows, compound bows, crossbows, and associated accessories authorized for use by State regulation.

y. Organized Hunting. The practice of hunting deer in an organized group. This often includes conducting deer drives and/or usually the use of dogs.

z. Harvest Identification Number (HARVEST ID #). Nine-digit number located on the Big Game Harvest Report Card that is entered into e-FAWCTS.

aa. Sportsman and Sportsmen. Persons permitted to or engaged in hunting, fishing, scouting, dog training, firewood collection, and/or boat launching on lands covered by this Order.

bb. Scouting. The practice of investigating hunting areas; identifying the spoor of game animals, and interpreting it to determine what it means in order to formulate a hunting strategy.

20 JUN 2012

Chapter 2

Sportsmens Access to MCB Camp Lejeune, MCAS New River and MCOLF Oak Grove1. Area Availability and Coordination

a. Available areas shall be assigned per existing training requirements. MCB Camp Lejeune Range Control is responsible for determining area availability located within the boundaries of training areas and live-fire ranges on Base and MCOLF Oak Grove.

b. Base Range Control shall provide the Base CLEO a copy of each published firing notice.

c. By 1500 daily, the Base CLEO shall receive from the Range Control Scheduling Office the Hunting Danger Areas Notice "Hot Sheet," which designates the training areas available the next day. Changes will not be made to available training areas by the Range Control Officer after the Hot Sheet has been issued to the Base CLEO unless there are unforeseen extraordinary training requirements.

d. The number of sportsman allowed in each training area shall be determined by the Base CLEOs for the Base and MCAS New River CLEOs for the Station and MCOLF Oak Grove in coordination with Base Land and Wildlife Resources Section.

e. Certain large-scale activities are required to be scheduled before occupying a training area and will cause closure of training area that would otherwise be open. Those activities that will be scheduled include: logging, planting trees, extensive surveys by contractors, borrow pit restoration, landing zone restoration, construction and range maintenance. When scheduled activities cause closure of a training area, the Chief CLEO, if authorizing access in that area, shall develop a plan to de-conflict both activities in the training sector prior to allowing sportsman access. An example of this would be when logging is scheduled in a training area, and the Chief CLEO has determined to authorize sportsmen in that area. The Chief CLEO would develop a de-confliction plan to allow safe access simultaneously with logging. The Chief CLEO shall consider the hunting weapons, ammunition used, species being hunted, seasons that are open, nature of the conservation management activity, and comfort level of workers. The CLEO office will identify these openings as "Special Considerations Openings" and shall make sportsmen aware of the activity in the training area and the requirements, and notify conservation personnel that sportsmen access has be authorized in the training area. In no case shall hunting take place within 0.3 miles of the scheduled activity. It shall be incumbent upon the hunter to ensure that he/she remains a minimum of 0.3 miles from the activity. This authorization does not obligate the Chief CLEO to open an area. If the Chief CLEO makes the decision to open the area, he/she assumes responsibility for enforcing the safe separation of the conservation management activity and hunters. The CLEO Office is responsible for notifying the Range Control Office of the decision to de-conflict the training area and provide de-confliction plan details to the Range Control Office. The CLEO Office is responsible for

20 JUN 2012

determining if the activity will be conducted on weekends and holidays prior to releasing hunters into those areas affected. Nothing in this section alters the requirements in chapter 2, paragraphs 1a through 1c.

f. Availability of hunting areas aboard the Air Station, excluding housing areas, shall be determined by the Commanding Officer (CO), MCAS New River.

2. Access for Hunting

a. To administer hunting activities effectively, the Base is divided into five major gun hunting areas and 19 archery hunting areas. The Station has been divided into 13 hunting areas that consist of both gun and archery hunting areas. MCOLF Oak Grove contains six gun hunting areas. Hunting areas are listed below:

(1) Area One is composed of Training Sectors R, F, G, and Q, excluding bow hunting areas RA and FG-1, all built-up areas including towers, G-10 and N-1/BT-3 buffer areas, and impact areas. The area north of a line from 960345 to 973340 thence to 977345 in training sector GI may be hunted. Note; Hunters in the GA training area must not discharge a breech loading rifle or shotgun within 1,200 feet of the Ammunition Supply Point (ASP), an explosive and ammunition storage facility. This distance does not need to be observed if firing is directed away from the ASP.

(2) Area Two is composed of Sectors H, I, and J, excluding all built-up areas, demolition ranges at Courthouse Bay (CHB), and the ASP. Note: Hunters in the HD training area must not discharge a breech loading rifle or shotgun within 1,200 feet of the ASP. This distance does not need to be observed if firing is directed away from the ASP.

(3) Area Three is composed of Training Sectors M, K, L, BD and BC, excluding bow hunting areas LG, LD, LC-1, Weapons Training Battalion (WTBN), the K Ranges, and the K-2 impact areas

(4) Area Four (A and B) is composed of all SR training sectors within the Greater Sandy Run Area (GSRA). Area Four A is composed of SR areas SA, SB, SC, SD, SE, SF, SG, SH, SI, and SJ. Area Four B is composed of SR areas SK, SL, SM, SN, SO, SP, SQ, SR, ST, SU, SV, SW.

(5) The archery hunting areas on Base are composed of AA, AC, BOW-1 through 7, EA, EB, EC, E-1, CHB, WTBN, LD, LG, LC-1, FG-1, RA training areas. Shotguns may be used in the waterfowl impoundment in Sector E for waterfowl hunting. Note: Authorized personnel hunting in area BOW-1 are within the explosive arc of the ASP, an explosive and ammunition storage facility. Authorized personnel hunting in area BOW-2 are within portions of the explosive arc of an explosive and ammunition storage facility. Hunters in areas BOW-1 and BOW-2 must hunt from an elevated tree stand and should direct firing away from the ASP.

(6) MCAS New River consists of five gun hunting areas and eight archery hunting areas. The gun hunting areas are Area-3A, Area-3B, Area-3E, BC-1 and JP-1. The archery hunting areas consist of BB, BC-2 and BOW-9

20 JUN 2012

through 14. Note: Authorized personnel hunting in area BOW-13 are within portions of the explosive arc of an explosive and ammunition storage facility. Authorized personnel hunting in area BOW-14 are within the explosive arc of an explosive and ammunition storage facility. Hunters in areas BOW-13 and BOW-14 must hunt from an elevated tree stand and should direct firing away from the ASP.

(7) The Base And Station Hunting and Fishing Map is provided as figure 2-1.

b. MCOLF Oak Grove contains training sectors OA, OB, OC, OD, OE and OF. The MCOLF Oak Grove Hunting and Fishing Map is provided as figure 2-2.

c. The Commanding Officer may designate new hunting areas or change hunting area boundaries by approving a new hunting area map. Changes will become effective when the map is published and posted via eFAWCTS.

3. Restrictions to Hunting Access

a. Hunters are not authorized to drive into any impact area, buffer area, surface danger area, live-firing area, security area, barricaded road, or sign which prohibits vehicular travel. Hunters are not authorized to drive past any locked gate unless the area is open to hunting and a gate key has been provided by the Base or Station CLEOs.

b. When an area is reserved for organized deer hunts, only members of the organized hunts shall be permitted to hunt within the assigned area. No other person or unit personnel will enter the area.

c. Sportsmen are not authorized to drive in wildlife clearings (food plots).

d. Motor vehicle operation shall be in accordance with references (n) and (o). Maximum speed on unpaved roads for individual and organized hunters is 25 mph and lower speed when reasonable and prudent under existing conditions.

e. No firearm hunting, including organized, individual shotgun and muzzle loader hunts, shall be permitted in areas used for impact areas, buffer areas, within 200 yards of any inhabited camp or scout area, barracks, quarters, housing, primary roads, landing fields, stables, schools, storerooms, supply or storage areas, golf courses, the Naval Hospital, or in areas where troops are training, unless otherwise permitted.

f. No archery hunting shall be permitted in areas used for impact areas, buffer areas, within 100 yards of any inhabited camp or scout area, barracks, quarters, housing, primary roads, landing fields, stables, schools, storerooms, supply or storage areas, golf courses, the Naval Hospital, or in areas where troops are training, unless otherwise permitted. Pertinent to schools, the 100 yard minimum distance restriction includes ingress and egress on or across any school grounds. Bow hunters shall avoid hunting near horseback or bicycle riding trails.

g. Access to the BOW-5 hunting area south of Brewster Boulevard is restricted to Mondays and Tuesdays during daylight hours and Wednesday through Sunday from 1.5 hours before legal shooting time until 10:00 am.

h. Hunters are not authorized to hunt from or within any range proper complex as defined by reference (p) which includes the cleared range footprint defined by the assembly area, firing positions, left and right lateral limit signs, and the last row of targets. Hunters are not authorized to hunt from or within Tactical Landing Zone's, runways, training facilities/complexes (classrooms, towers, and road networks), or inside and near buildings.

4. Access for trapping

a. Trapping is authorized in areas identified in chapter 2, paragraphs 2a and 2b, when hunting seasons are closed contingent on training requirements. Restrictions to access identified in chapter 2, paragraphs 3a through 3d apply to trapping.

b. Trapping is prohibited in hunting areas 24 hours prior to and during organized deer hunts and trappers are not permitted to enter areas reserved for organized hunts on the day of the hunt. Trappers are required to trip traps the night prior to organized deer hunts.

c. Trapping is not be permitted in training areas when such areas are being used for live-firing exercises.

d. Trapping is not permitted within 100 yards of any residential area, adjacent to any school, within the Paradise Point riding trails, in impact areas, or any live-firing areas.

e. All steel-jawed traps set in the BOW-4 and BOW-5 sectors shall be positioned so each trap is submerged in water at all times.

5. Access for Scouting. Scouting is authorized in areas identified in chapter 2, paragraphs 2a and 2b, during daylight hours when hunting seasons are closed contingent on training requirements. Restrictions to access identified in chapter 2, paragraphs 3a through 3d apply to scouting.

6. Access for Dog Training. Dog training is authorized in areas identified in chapter 2, paragraphs 2a and b, contingent on training requirements. Restrictions to access identified in chapter 2, paragraphs 3a through 3d and chapter 5, paragraph 2 apply to dog training.

7. Access for Firewood Collection

a. Firewood collection is authorized in areas identified in chapter 2, paragraphs 2a and 2b during daylight hours, contingent on training requirements. Restrictions to access identified in chapter 2, paragraphs 3a through 3d apply to firewood collection.

b. Commercial timber harvest (logging) areas are off-limits for firewood collection until completion of the timber sale contract, at which time the site becomes an authorized firewood area.

20 JUN 2012

8. Access to Fishing and Boat Launches. Access to the boat launches located at Onslow Beach Bridge, Mile Hammock Bay, Traps Bay, Mill Creek, Moore Road Landing, French Creek, Rhodes Point, Town Point, Weil Point, Maple Landing, Everett Creek, Tarawa Terrace, Camp Johnson, Gottschalk Marina, Courthouse Bay Marina, and MCAS New River Marina is currently available anytime based on compatibility with adjacent military training. Access to Freeman Creek boat launch is contingent on military training, obtaining a boat launch permit and calling for area availability at (910)451-2196.

Chapter 3

Weapons and Firearm Regulations and Safety Precautions

1. General

a. Possessing or carrying firearms or bow and arrow on any land or extension thereof under the jurisdiction of the CG or Commanding Officer, MCAS New River constitutes prima facie evidence of pursuit of wild animals or birds for the purpose of hunting. This excludes personnel using target ranges.

b. Firing at wild animals or birds is prohibited by persons unauthorized to hunt thereon into or across any area under the jurisdiction of the CG or CO MCAS New River from areas outside Base or Station boundaries.

c. Introduction, possession, or use of any firearms must comply with reference (j).

2. Safety

a. All hunters are strictly accountable for observing all reasonable and necessary safety precautions. In the use of firearms and/or bow and arrow, all persons hunting will be familiar with the handling and function of the weapon they are using. Hunter Ethics and Safety (figure 3-1) shall be observed at all times while hunting. Transporting or possessing loaded firearms in a motor vehicle, moving or stopped, while hunting is unlawful. An unloaded firearm is one with all ammunition removed. Firearms may not be discharged in a negligent, careless, or reckless manner. When objects unintended to be shot are hit, it is prima facie evidence of negligent discharge of a firearm. Shooting at signs, into water, at solid objects, trees, structures, or vehicles is prima facie evidence of careless discharge of a firearm.

b. Target shooting or sighting in of firearms is not authorized on Base, Station or MCOLF Oak Grove. Firearms may only be discharged in the pursuit game or at designated ranges when authorized by the AC/S G-3.

c. It is unlawful to possess a loaded firearm except during legal shooting hours for game animals and birds.

d. Restrictions to access are identified in chapter 2, paragraphs 3a through 3g.

3. Rifles and Pistols

a. No breech-loading rifles (including .22 caliber), over and under rifle and shotgun combinations of any type will be carried or used for hunting.

b. Pistols are not authorized for hunting. Trappers may carry and use a .22 caliber pistol loaded with .22 caliber short, .22 caliber Flobert style

20 JUN 2012

BB cap rounds, or .22 caliber Flobert style CB cap ammunition to dispatch lawfully trapped fur bearing animals.

4. Archery Equipment

a. Minimum broadhead width and the rated pull of bows will be per reference (b). Mechanical broadheads are permitted per reference (b). Poisonous, drugged, explosive or barbed arrows are prohibited. A barbed arrow within the meaning of this Order is one with points or barbs which protrude backwards from the head or point of the arrow in such a way that they may hook or keep the arrow from being pulled through the point of penetration only by tearing the flesh of the animal or bird.

b. Crossbow equipment and authorization for use shall be in accordance with references (a) and (b). Bolts must be removed from the rail of the crossbow during entry into and egress out of the field.

c. No type of firearm will be carried while bow and arrow hunting. Archery equipment is permitted when hunting in gun areas during gun season.

5. Shotguns

a. Only 10-, 12-, 16-, 20-, 28-gauge and 410-caliber shotguns with commercial loads or equivalent will be used for hunting aboard Base. Under no circumstance will the military brass case load be used. The altering of any ammunition is prohibited. Each hunter is personally responsible for the serviceability and safe working condition of the weapon.

b. Only conventional shotguns loaded with slugs may be used for individual deer hunting. No buckshot of any type is allowed to be fired while individuals are hunting in designated areas. Possession of buckshot while individually hunting is prohibited.

c. Only conventional shotguns loaded with buckshot may be used for organized deer hunting. No shotguns loaded with slugs of any type are allowed for organized deer hunting. Possession of slugs while organized deer hunting is prohibited.

d. Only conventional shotguns loaded with birdshot may be used for small game and upland game birds. The shot size is restricted to No. 4 through No. 9 shot.

e. Only conventional shotguns utilizing slugs during deer season and slugs or birdshot No. T shot or smaller outside of deer season may be utilized for predator hunting.

f. The shot size is restricted to No. 4 through No. 6 shot for turkey hunting.

g. Gauge, shot size and type used for waterfowl hunting will be in accordance with reference (b).

h. All semi-automatic-loading or hand-operated repeating shotguns capable of holding more than three shells used in the hunting of migratory

20 JUN 2012

game birds and migratory waterfowl must have the magazine plugged with a one-piece metal, wooden or plastic filler, so that not more than three shells may be accommodated at one time in the magazine and chamber combination. The plug will be incapable of removal through the loading end of the magazine.

6. Muzzle Loaders

a. Hunting is permitted only with muzzle-loading shotguns and rifles .40 caliber or larger.

b. Hunting with muzzle-loading rifles loaded with round ball or sabot of appropriate size are authorized for deer and bear hunting during the primitive weapons and gun season for deer. Muzzle-loading rifles loaded with round ball or sabot of appropriate size may be used for predator hunting.

c. Hunting with muzzle-loading rifles loaded with round ball, sabot or birdshot of appropriate size is authorized for predator hunting.

d. Hunting with muzzle-loading shotguns loaded with bird shot is subject to regulations established for breech-loading shotguns. Gauge and shot size limitations applicable to breech-loading firearms apply to muzzle-loading firearms.

e. Muzzle-loading shotguns and rifles are not authorized for use in organized hunts.

f. Muzzle-loading firearms are considered "loaded" for the purpose of this Order when any of the following firing components are in place within the barrel, breech, or lock:

- (1) Powder
- (2) Projectile(s)
- (3) Percussion Cap
- (4) Priming Charge
- (5) Batteries for electric ignition muzzle loaders
- (6) Firearms absent (3), (4) or (5) above are considered unloaded

20 JUN 2012

HUNTER ETHICS AND SAFETY

1. General

a. Roadways, gates, ramps, or any access route will not be blocked. Parking and leaving any motor vehicle or conveyance in a manner that impedes law enforcement or emergency vehicles are unlawful.

b. Intentional disruption, interference, intrusion, harassment, or foiling the success of other hunters is prohibited.

c. Locations for skinning and processing the meat of harvested wild animals and birds should be carefully selected, especially in Base housing areas, so as not to offend children or the non-hunting public.

d. Hunters should park their vehicles in a location and manner that enables search and rescue personnel to easily find the vehicle at night.

e. Persons producing litter or refuse in the field will remove it from hunting areas.

f. No persons will hunt while consuming, using, or under the influence of any intoxicating beverage and/or legal or illegal drugs.

g. Consuming alcoholic beverage within eight (8) hours prior to the use of firearms is prohibited.

h. Shooting at signs or other government property is prohibited.

i. It is recommended that all anyone hunting from an elevated position utilize a safety harness.

2. Ten commandments of Shooting Safety

a. Treat every gun with the respect due a loaded gun.

b. Watch that muzzle; carry your gun safely; keep safety on until ready to shoot.

c. Unload guns when not in use; take down or have action open; guns should be carried in cases to shooting areas.

d. Be sure barrel is clear of obstructions and that you have ammunition only of the proper size for the gun you carry.

e. Be sure of your target before you pull the trigger; know identifying features of game you hunt.

f. Never point a gun at anything you do not want to shoot; avoid all horseplay.

g. Never climb a tree, cross a fence, or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.

h. Never shoot at a flat, hard surface or water; at target practice be sure your backstop is adequate.

i. Store guns and ammunition separately beyond reach of children

j. Avoid alcoholic beverages before or during shooting.

KEEP SHOOTING A SAFE SPORT!

Figure 3-1.--Hunter Ethics and Safety

20 JUN 2012

Chapter 4

Individual and Organized Hunting1. General

a. All hunters will abide by the Hunter Ethics and Safety provided in chapter 3 (figure 3-1).

b. All hunters (except those hunting waterfowl, wild turkey, dove, or bow hunting within bow hunting areas) must wear an outer cap (or hat) AND an outer, upper vest (or garment) of solid international (hunter) ORANGE color material visible and unobstructed on both front and back of the upper torso. Small insignias and non-hunter orange hat bills that do not substantially interfere with the visibility of the hunter orange are authorized. When items like tree stands are carried by hunters in a manner that the object carried obscures or diminishes the visibility of the hunter's orange apparel, the object must be equipped with orange to compensate. Dove and waterfowl hunters are required to wear orange while walking through the woodlands during gun season for deer. Predator hunters must wear international orange while hunting during the gun season for deer and while still hunting.

c. Entering any closed or restricted area identified in chapter 2, paragraphs 3a through 3c, for recreational purposes to include hunting is strictly prohibited. Hunters may access locked gates when the area is open for hunting and a gate key has been obtained from the Base or Station CLEO. The GSRA and MCOLF Oak Grove Security and Key Agreement (figure 4-1) must be signed prior to receiving a gate key for the Base and before receiving a gate key or accessing MCOLF Oak Grove.

d. Hunting, with the exception of waterfowl hunting, will be permitted on Sundays providing the hunter is on government property. Waterfowl hunting on Sundays is not permitted on MCB Camp Lejeune.

e. Jump shooting or driving deer out to one or more standers by an individual or a group of hunters is prohibited for safety reasons. Deer hunting is allowed only from tree stands, ground blinds or other fixed positions. Except for standers posted in fixed positions during a scheduled organized hunt, hunters should avoid shooting at deer on a level plane. Only stand hunting or hunting from a fixed position is authorized for organized hunts.

f. Hunters are not permitted in any area later than one hour after legal shooting time, except individual hunters when participating in night hunts for raccoon and opossum as authorized in references (a) and (b) and hunters tracking wounded game. When tracking game later than one and one half hour after legal shooting time the hunter must return to the appropriate check station and check out from hunting and check in for tracking. A hunter who has a harvested bear or deer in their possession by the end of legal shooting time but will not be able to return to the check station on time, may call (910) 451-5226 for an extension. The hunter must leave his name, permit number, phone number and an estimated time of return.

20 JUN 2012

g. Hunters moving on the ground afoot one and one half hour before and after legal shooting hours for game animals and birds will display a white light.

h. Individual hunters will not be permitted to use dogs while hunting deer. Dogs are allowed while hunting migratory/upland game birds, rabbit, squirrel, raccoon, and opossum.

i. Removal of any tracking or identification collar from any dog while in the field is unlawful.

j. Baiting for deer will be allowed per reference (a) in those bow hunting only areas described in chapter 2, paragraph 2a(5). Baiting is prohibited in all other areas. No game feeders of any kind may be used. Any bait site established for the purpose of attracting game shall not have exclusive use rights.

k. Using boats in any manner to take deer is prohibited. Hunters may transport themselves and lawfully taken game by boat in accordance with State regulations.

l. Any hunting in Red-Cockaded Woodpecker habitat (area marked in white) must be in compliance with the biological opinion rendered under reference (e).

m. Hunting, killing, taking, possessing, transporting, trapping, harassing, or artificial feeding of threatened or endangered species is prohibited.

n. Importing any animal species to the Base for the purpose of release is prohibited without prior approval of the CG.

o. Possession of a live, wounded or otherwise disabled animal or bird is unlawful; only carcasses may be possessed and transported. Wounded or otherwise disabled animals and birds will be killed expeditiously by lawful method to minimize suffering before being moved. Persons not in compliance with this rule could be charged under NC General Statute 14-360, "Cruelty to Animals."

p. All edible portions of harvested game must be kept in an edible condition. With the exception of fur-bearing animals it is a violation to fail to keep all edible portions of game animals, upland game birds, migratory birds, and fish in an edible condition.

q. All season dates shall be in accordance with reference (b) unless otherwise stated in chapter 4, paragraph 3.

2. Quality Deer Management

a. A Quality Deer Management (QDM) program is being implemented in various areas aboard MCB Camp Lejeune in order to balance the buck to doe ratio and stratify age structure. Hunters are encouraged to harvest antlerless deer to the extent provided by state regulation. The following areas will be under the QDM program: Hunting areas HA, HB, HC, HD, HE, HF,

20 JUN 2012

HG, HH, IA, IB, IC, ID, IE, IF, IG, JA, JB, JC, JD, and JE. All deer hunters hunting the QDM areas listed above must comply with the following harvest restrictions:

(1) Antlered deer must be branched antlered (both beams) and possess a minimum of five total antler points.

(2) Antler points are considered legal for counting when they are one inch length measured from the centerline of the main beam.

b. Additional areas may be brought into or dropped from the QDM program as appropriate management necessitates.

3. Bag Limits

a. Bag limits for the Base and Station will be per reference (a) and (b) with the exception of the following restrictions:

(1) The deer bag limit will be in accordance with reference (a) and (b) except that only two deer may be taken a day and only six deer may be taken seasonally in areas authorized for individual gun hunting. Additional antlerless deer may be harvested in archery hunting areas in accordance with reference (a) and (b).

(2) Bear hunting is being permitted on MCB Camp Lejeune and MCAS New River in all areas in accordance with references (a) and (b). If the number of bears harvested in an area is determined to be detrimental to the population the season may be closed prior to the end of the season. Announcing the closure of an area prior to the end of the season identified in references (a) and (b) will be via the e-FAWCTS.

b. Bag limits for MCOLF Oak Grove will be per reference (b) with the following changes: bag limit for quail is 2 wild-birds per day; 4 possession; season limit 24. Harvesting of fox squirrel and bear is prohibited.

4. Archery Hunting

a. Archery hunting will be per references (a) and (b) and the provisions of this Order.

b. Authorized archery equipment is identified in chapter 3, paragraph 4.

c. Authorization to crossbow hunt shall be in accordance with reference (a) and (b) and the archery regulation identified in this Order.

d. Archery hunting is authorized in areas 1, 2, 3, 4A, 4B, and all archery hunting areas during all open seasons. Bow hunting only has been established for areas: AA, AC, BB, BC-2 BOW-1 through 7 and 9 through 14, EA, EB, EC, E-1, CHB, WTB, LC-1, LD, LG, FG-1, and RA.

e. Hunting within archery hunting only areas is contingent upon successful completion of written and shooting proficiency tests. The written portion of the test will be administered via e-FAWCTS as part of the

20 JUN 2012

licensing process. The shooting proficiency test will consist of demonstrating basic competence with archery equipment. The test dates, standards and location of testing will be announced via e-FAWCTS.

f. Deer Management Assistance Program (DMAP). The DMAP program issues the Base additional antlerless deer tags to be used to reduce deer numbers in designated areas. These additional tags may be used in the archery hunting areas. Participation in this program will be based on the deer population and the availability of additional antlerless tags to individual hunters from the State. The determination to participate or not to participate in DMAP program and the areas to be included will be announced via e-FAWCTS.

5. Individual Shotgun and Muzzle Loader

a. Muzzle Loader and Shotgun hunting shall be in accordance with references (a) and (b) and the provisions of this Order.

b. Hunting during any special "primitive weapon" season established by reference (b) also requires possession of a NC State license that includes primitive weapons use.

6. Organized Hunting

a. Organized hunting will be in accordance with references (a) and (b) and the provisions of this Order.

b. Scheduling of organized hunts will be the responsibility the Land and Wildlife Resources Section in coordination with the AC/S G-3. The organized hunt dates scheduled shall be sent to participating clubs by the Base CLEOs.

c. The Base CLEO shall provide coordination for law enforcement, emergency medical, fire protection, safety, or environmental management personnel who require entrance into the area.

d. The Base CLEO Section shall be responsible for the conduct and organization for all organizational deer hunts aboard MCB Camp Lejeune. Each organization seeking to participate in an organized deer hunt, to include the John A. Lejeune Rod and Gun Club and the Commander's Invitational Deer Hunts (CIDH), will have a Huntmaster appointed in writing, with a copy provided to the Base CLEO (approved and validated by the AC/S IFE).

e. Each season, six hunting clubs (Big Horn, Flag Pond, Oak Island, South Creek, United and Wildcat) will be invited to participate in the CIDH. These clubs were chosen based on their historical use of the GSRA prior to acquisition by the Marine Corps. The Huntmaster for each club shall respond to the invitation via letter and include a list of all members of the club and community members who wish to participate. The list of attendees shall be used for granting access to the Base to obtaining permits and participate in the scheduled hunts. Sponsorship for civilians participating in these hunts is provided by the CG. Fourteen days prior to the first scheduled hunt, hunt clubs for Onslow County, shall be invited via letter to participate in the CIDH. The CIDHs will take place three times a season. Dates and times shall be published as determined by area availability. Participating clubs are encouraged to invite local community members to hunt

20 JUN 2012

with their club during these events. Furthermore, hunt clubs that choose to participate in the CIDH incur an obligation to provide a reciprocal hunting opportunity for individual Marines to hunt with their clubs on non-military property. Selection of the Huntmaster shall be per the Huntmaster Standards (figure 4-2).

f. Huntmasters of organized hunts shall be persons thoroughly familiar with Federal, State and Base laws regarding manner of taking wild animals and birds and the confines of the Base. Huntmasters will oversee and direct a safe hunt. Huntmasters will be responsible for proper control, organization and conduct of participants. Huntmasters will ensure complete compliance by all participants with this order.

g. Participation in organized hunts shall be by reservation through the assigned Huntmaster. Huntmaster contact information will be available from the Base CLEO.

h. Huntmasters shall make contact with the Base CLEO before the close of business on the evening prior to the organized hunt to obtain any updates. Huntmasters must provide a written roster to the Base CLEO of all personnel on the hunt prior to the start of any organized hunt. The roster will include: name, rank, organization, home address, phone number, NC hunting license number and Base hunting license number of authorized civilian and military personnel.

i. Huntmasters must notify the Base CLEO (910) 451-5226 or PMO Dispatch (910) 451-3004 that the hunt has been secured within two hours after securing the hunt. When dog handlers remain in the hunting areas looking for dogs after the hunt has been secured, the Huntmaster shall provide the names of those dog handlers to the Base CLEO. Within 24 hours after the organized hunt, Huntmasters shall also turn over to the Base CLEO the completed deer harvest data sheets and jaw bones collected from each deer harvested during the preceding hunt.

j. For all organized hunts (CIDH and John A. Lejeune Rod and Gun Club) the Huntmaster and assistant shall:

(1) Be responsible for the organization and proper conduct of their hunting party.

(2) Verify that each hunter is eligible to hunt per existing regulations as established in this Order and per reference (b).

(3) Verify the number of persons who may safely participate in the hunt.

(4) Maintain a minimum distance of 175 yards or 1/10 mile between hunters/standers when direct line of sight between adjacent standers is obscured, i.e., bend in road or dense vegetation.

(5) Maintain appropriate records of participation and game harvest information to be reported to the Base Game Warden within 24 hours following an organized hunt.

20 JUN 2012

(6) When violations, hunting accident, or other matters necessitating an investigation occur, the pertinent huntmaster will require all persons involved to include witnesses to remain at the scene pending completion of the investigation.

k. A Huntmaster has the authority to remove any hunter for a reasonable cause. Huntmasters have the responsibility to report any and all violations of Federal, State and Base regulations to the Base CLEO immediately.

l. Huntmasters shall secure a hunt when there are 10 or less hunters, who then may be assigned to another organized hunt of their choice if this can be safely done.

m. Dog handlers will not enter impact or restricted areas, or areas other than the areas assigned on organized hunting dates. Dog handlers shall be at least 21 years of age and their assistants, at least 18 years of age. Both must have at least one full season's active experience with organized hunting aboard MCB Camp Lejeune at any level, i.e., stander, squad leader, assistant huntmaster, etc. Persons having a conviction for violating any Base, NC, or Federal wildlife rule within the previous three years are ineligible to be a Huntmaster or their assistant or dog handler or their assistant. Dog handlers and organized hunt participants will be required to execute a Waiver of Liability and Assumption of Risk Agreement and Certificate of Understanding (figures 4-3 and 4-4) prior to hunting.

n. Dog handlers are required to adhere to State, Federal and Base regulations pertaining to hunting at MCB CAMLEJ to include applicable sections, of chapter 2, paragraph 3d. Dog handlers remaining in hunting areas to look for dogs after an organized hunt has been secured by the Huntmaster must open a session in e-FAWCTS for dog retrieval. This session must be closed when leaving the field.

o. Except as noted herein, all dogs used for hunting shall be registered with the Base Veterinary Office. Owners must provide certificates of vaccination. Dog owners who do their own vaccinating must obtain certificates from the veterinarian who sold them the vaccine. For hunters' convenience, hunting dogs not permanently located aboard the Base need not be registered; however, certificates of vaccination must be provided to the Base CLEO, or the designated huntmaster in the case of an organized hunt.

7. Special Organized Hunts

a. Special Organized Hunts shall be in accordance with reference (a) and (b) and the provisions of this Order.

b. Special hunts aboard MCAS New River will occur only when determined to be necessary for game management or aircraft safety purposes. Recommendations for these special hunts must be concurred in by the Commanding Officer, MCAS New River in coordination with IFE. Specific approval of the CG must be obtained once a hunt is determined necessary.

c. Organized hunts on MCB Camp Lejeune for game management purposes may be conducted only with approval of the CG in "no hunting", "exclusion", or "bow hunting" areas.

20 JUN 2012

d. It is the responsibility of the Head, ECON to have notices for Special organized hunts published in a manner that shall ensure the widest dissemination.

e. Bow hunters participating in special herd reduction hunts when under the direct supervision of the Base Wildlife Biologist and Base CLEO or their designees are considered organized hunts.

8. Commanding Officers Disabled Sportsmans Invitational Hunt

a. EMD may schedule an organized hunt, annually to facilitate access for disabled hunters.

b. Scheduling of these hunts shall be the responsibility of the Land and Wildlife Resources Section in coordination with the AC/S G-3.

c. The Base CLEO will provide coordination for law enforcement, emergency medical, fire protection, safety, or environmental management personnel who require entrance into the area.

d. Off Road Recreational Vehicles (ORRV) and specialized shooting equipment designed to assist participants with accessing areas and the acquisition of game are authorized for these organized hunts.

e. The QDM requirement for deer to have a minimum of five points may be waived by the Head, ECON to facilitate this hunt.

9. Turkey Hunting

a. Wild turkey hunting shall be in accordance with references (a) and (b) and the provisions of this Order.

b. Hunting will be permitted between 1/2 hour before sunrise and 1/2 hour after sunset only.

c. Use of dogs, live decoys, and electric calls is prohibited.

d. Only 10 through 410 gauge shotguns and archery equipment may be used. The shot for shotguns size is restricted to No. 4 through No. 6 shot.

e. A Youth Turkey Hunt Day for turkey shall be held in accordance with references (a) and (b). Youth hunters must meet authorization and licensing requirements identified in chapter 11. Youth hunters must be between the ages of 13 and 15.

10. Black Bear Hunting

a. Hunting black bears aboard MCB Camp Lejeune will be in accordance with references (a) and (b) and the provisions of this Order.

b. Baiting for bears is prohibited per reference (a). Hunters are reminded that strict State and Federal regulations exist governing the use of bear and bear parts for commercial purposes. Taking of a cub bear (bear less than 50 pounds) or a female with cubs is prohibited.

20 JUN 2012

c. Season dates shall be in accordance with reference (b) unless the number of bears harvested in an area is determined to be detrimental to the population. If this determination is made the season may be closed prior to the end of the season. Announcing the closure of an area prior to the end of the season identified in reference (b) will be via the e-FAWCTS.

11. Small Game and Waterfowl

a. Small game and waterfowl hunting shall be in accordance with references (a) and (b), federal regulations and the provisions of this Order Access. Specific restrictions for small game and waterfowl hunting are listed below:

(1) Waterfowl hunting aboard MCB Camp Lejeune will be prohibited on Sundays, unless North Carolina migratory bird regulations are changed to allow Sunday hunting for waterfowl.

(2) A youth waterfowl hunting day shall be held in accordance with references (a) and (b) and federal regulations. Youth hunters must meet authorization and licensing requirements identified in chapter 11. Youth hunters must be between the ages of 13 and 15.

(3) Dove hunters are required to police their own spent shells within managed dove fields or when hunting from adjacent secondary roads.

(4) Hunting raccoon and opossum between the hours of sunset and sunrise using dogs and artificial light is authorized. Each individual or group will be limited to one shotgun. The shot size is restricted to No. 4 through No. 9 shot.

12. Falconry. Falconry will be conducted in accordance with references (a) and (b), federal regulations and the provisions of this Order. Requirements identified for access, check in, check out, and harvest reporting applicable to hunting apply to falconry. Wearing hunter orange as identified in chapter 4, paragraph 1b is required during all open gun hunting season. A base hunting license is required. Requests to use birds of prey for hunting will be approved on a case-by case basis by the Head, ECON.

20 JUN 2012

GSRA and OLF, Oak Grove Security & Key Agreement

Privacy Act Statement

Information contained on this form is maintained under the Systems of Records Notice NM07320-1 Property Accountability Records (May 29, 2007, 72 FR 29487). **AUTHORITY:** 10 U.S.C. 5013, Secretary of the Navy; 10 U.S.C. 5041, Headquarters, Marine Corps; and E.O. 9397 (SSN). **PRINCIPLE:** Any individual who receives and signs for government property. The receipts maintained are any of the following: Logbooks, property passes, custody chits, charge tickets, sign out cards, tool tickets, sign out forms, photographs, charge cards, or any other statement of individual accountability for receipt of government property. **PURPOSE:** To identify individuals to whom government property has been issued and provided a record of loss or deterioration of clothing and equipment assigned to each individual. **ROUTINE USE:** In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, these records contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3). **DISCLOSURE: MANDATORY**

BACKGROUND: Security of GSRA and Oak Grove OLF is of paramount importance. Access to GSRA and Oak Grove OLF by legitimate hunters is necessary and a privilege. G-3/G-5 and SES Departments have agreed to a program whereby security of GSRA and OLF, Oak Grove and hunter access can be accomplished by allowing certain gates to be equipped with a Game Warden lock. Security of these facilities must not be compromised. Therefore, any hunter granted the trust of signing out a key for personal access must agree to the following:

- The key will not be transferred to any other person or used for any purpose except to allow access for hunting. The key will not be duplicated.
- Hunters entering OLF, Oak Grove, have a responsibility to lock the main gate after they enter and when they exit. The main gate will be secured at all times.
- Hunters who have signed out a key may provide access for properly licensed and permitted hunters. All hunters on OLF, Oak Grove, whether obtaining a key or not, must sign this form acknowledging that they have been brief on harvest reporting, area availability, clear zones, and contact information for checking in and checking out.
- Keys issued for the GSRA will be inventoried monthly on the first working Friday of the month by calling 451-5226 or going to Building PT-3.

All key will be secured and returned to the Base or Station CLEO immediately at the end of the season for which the key is signed out for, or the following date:

The hunter will agree to surrender his/her hunting permit if the key is not returned as required. A key will not be reissued to those who do not check their key in monthly. _____

I UNDERSTAND AND AGREE TO THE TERMS OF THIS AGREEMENT.

HUNTMASER STANDARDS

1. Organized Deer Hunts. The President, John A. Lejeune Rod and Gun Club will provide annual huntmaster nominations to the Assistant Chief of Staff, IFE. Nominations will then be forwarded to the CG for approval by 1 August annually for organized deer hunts.
2. Specific Qualifications. Huntmasters will possess and assistant huntmasters will be trained towards the following qualifications:
 - a. Be a graduate of a hunter safety course sanctioned by the Hunter Safety Training Coordinator, North Carolina Wildlife Resources Commission, or the equivalent.
 - b. Be a member in good standing of the John A. Lejeune Rod and Gun Club and insured under the organization's liability and property damage insurance.
 - c. Have thorough knowledge of Base, State, and Federal hunting regulations.
 - d. Be a licensed hunter per existing Base, State, and Federal regulations.
 - e. Have a working knowledge of wildlife management.
 - f. Possess prior leadership experience in organized hunting for deer.
 - g. Be competent in land navigation and familiar with MCB, Camp Lejeune topography, all hunting areas, impact areas, danger areas, live-fire ranges, and restricted areas aboard Base.
 - h. Be on active duty status or retired from the U.S. Armed Forces.
 - i. Reside within 200 miles of Marine Corps Base, Camp Lejeune.

WAIVER OF LIABILITY AND ASSUMPTION OF RISK AGREEMENT

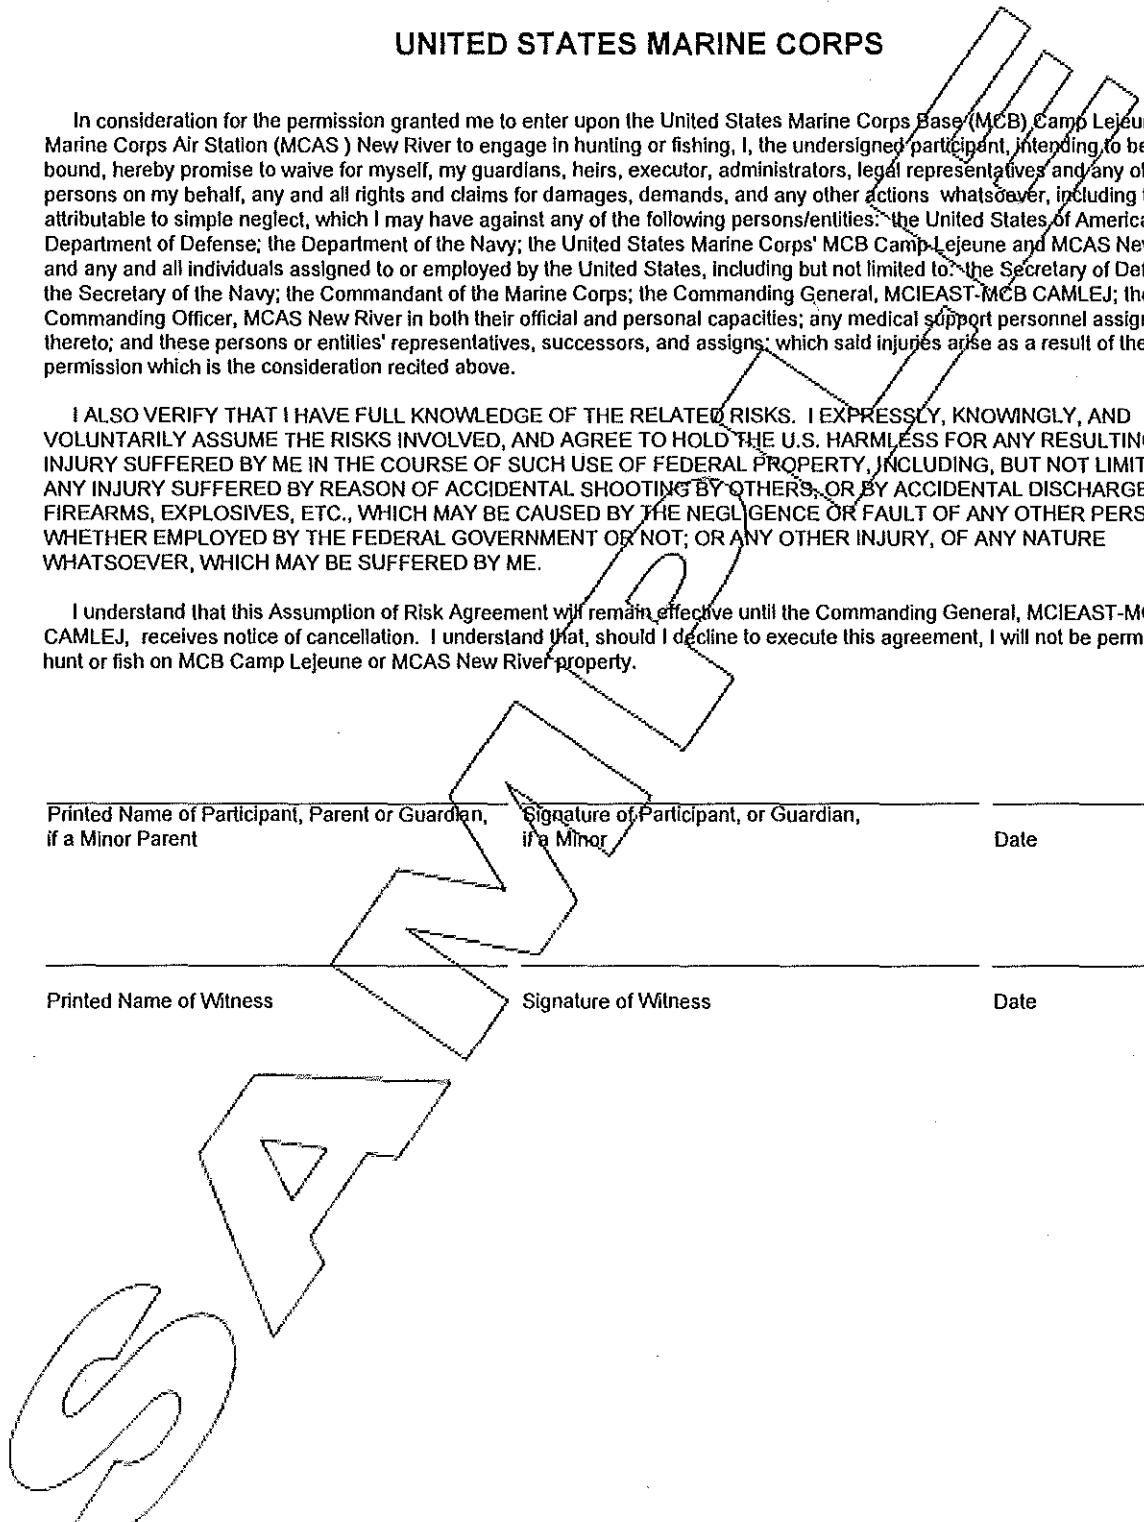

UNITED STATES MARINE CORPS

In consideration for the permission granted me to enter upon the United States Marine Corps Base (MCB) Camp Lejeune and Marine Corps Air Station (MCAS) New River to engage in hunting or fishing, I, the undersigned participant, intending to be legally bound, hereby promise to waive for myself, my guardians, heirs, executor, administrators, legal representatives and any other persons on my behalf, any and all rights and claims for damages, demands, and any other actions whatsoever, including those attributable to simple neglect, which I may have against any of the following persons/entities: the United States of America; the Department of Defense; the Department of the Navy; the United States Marine Corps' MCB Camp Lejeune and MCAS New River, and any and all individuals assigned to or employed by the United States, including but not limited to: the Secretary of Defense; the Secretary of the Navy; the Commandant of the Marine Corps; the Commanding General, MCIEAST-MCB CAMLEJ; the Commanding Officer, MCAS New River in both their official and personal capacities; any medical support personnel assigned thereto; and these persons or entities' representatives, successors, and assigns; which said injuries arise as a result of the permission which is the consideration recited above.

I ALSO VERIFY THAT I HAVE FULL KNOWLEDGE OF THE RELATED RISKS. I EXPRESSLY, KNOWINGLY, AND VOLUNTARILY ASSUME THE RISKS INVOLVED, AND AGREE TO HOLD THE U.S. HARMLESS FOR ANY RESULTING INJURY SUFFERED BY ME IN THE COURSE OF SUCH USE OF FEDERAL PROPERTY, INCLUDING, BUT NOT LIMITED TO, ANY INJURY SUFFERED BY REASON OF ACCIDENTAL SHOOTING BY OTHERS, OR BY ACCIDENTAL DISCHARGE OF FIREARMS, EXPLOSIVES, ETC., WHICH MAY BE CAUSED BY THE NEGLIGENCE OR FAULT OF ANY OTHER PERSON, WHETHER EMPLOYED BY THE FEDERAL GOVERNMENT OR NOT; OR ANY OTHER INJURY, OF ANY NATURE WHATSOEVER, WHICH MAY BE SUFFERED BY ME.

I understand that this Assumption of Risk Agreement will remain effective until the Commanding General, MCIEAST-MCB CAMLEJ, receives notice of cancellation. I understand that, should I decline to execute this agreement, I will not be permitted to hunt or fish on MCB Camp Lejeune or MCAS New River property.

20 JUN 2012

Chapter 5

Scouting and Dog Training

1. Scouting

a. Scouting is allowed in areas identified in chapter 2, paragraphs 2a and 2b during closed seasons. Scouting will only be conducted during daylight hours and is contingent on training requirements. Check in and check out via e-FAWCTS for scouting is required.

b. Scouting is the study and surveillance of wildlife movement and habits only. Calling, luring, attracting with scents or sounds, flushing, chasing, or any overt action greater than surveillance or locating signs of wildlife movement will be construed as "taking" as per definition in chapter 1, paragraph 1j.

(1) A current and valid NC hunting license and Base permit is required for scouting.

(2) No weapons of any kind will be carried while scouting, either in the vehicle or on a person.

2. Training Hunting Dogs

a. Sportsmen going to the field will not enter areas scheduled for training.

b. Dog Training is authorized in areas identified in chapter 2, paragraphs 2a and 2b, between 1 September and 1 March. If dog training will be conducted with game or furbearing animals all requirements and restrictions identified for hunting apply.

c. Training or running dogs is also authorized between 1 March and 1 September for retriever and treeing dogs under the direct and immediate supervision of the trainer. Under this exception, no animals or birds dead or alive will be used.

d. Dog trainers must not interfere with fishermen.

e. Training deer hunting dogs is not authorized.

20 JUN 2012

Chapter 6

Trapping

1. General

a. Trapping shall be in accordance with references (a) and (b) and the provisions of this Order.

b. Box trapping and steel trapping of fur-bearing animals and game animals is allowed per reference (b).

c. Live-trapping for restoration and research of various wildlife species will be under the direction of the Head, ECON per State and Federal laws and regulations.

d. Trappers must wear an outer cap (or hat) AND an outer, upper vest (or garment) of solid international (hunter) ORANGE color material visible and unobstructed on both front and back of the upper torso during firearm season for deer.

2. Base Trapping Regulations

a. Prior to setting trap lines, trappers will provide the CLEO office with a map of trap line, number and size of traps to be used, and notify the CLEO office of start and stop dates of setting a trap line.

b. Traps must be individually marked with appropriate markings to identify owner.

c. Each trap must be checked daily. Any animal caught therein must be removed.

d. Only killer-type traps No. 330 or smaller and leghold traps No. 3 or smaller are authorized. All killer traps must be completely submerged in water while set. Authorization to use larger traps may be requested via the Base Game Wardens. These requests will be reviewed by the Land and Wildlife Resources Section and approved on a case by case basis by the Head, ECON.

e. Trappers authorized to trap fur bearing animals may use a .22 caliber pistol loaded with .22 caliber short, .22 caliber Flobert style BB cap rounds, or .22 caliber Flobert style CB cap ammunition only to dispatch lawfully trapped fur bearing animals.

f. Each trapper must report in writing the number of each species taken within seven days after the trapping season closes.

g. The transport or sale of live animals trapped on Base, Station or MCOLF Oak Grove is not authorized.

20 JUN 2012

Chapter 7

Firewood Collection

1. General

a. Firewood cutting shall be in accordance with the provisions of this Order.

b. Personnel desiring to gather firewood pursuant to this Order are required to comply with all applicable safety regulations published by this Command.

c. Firewood collectors must have their firewood permit and valid identification in their possession while engaged in firewood cutting on Base and cut firewood only in authorized areas.

d. Firewood collectors must wear an outer cap (or hat) or an outer, upper vest (or garment) of solid international (hunter) ORANGE color material visible and unobstructed on both front and back of the upper torso during the firearm season for deer.

e. Only non-marketable timber such as downed trees resulting from timber harvest activities, training area maintenance, road construction, power line maintenance, storms, etc. may be collected. This is conducted as a means of utilizing a resource that would otherwise be wasted. Cutting or removal of any timber or timber products, other than downed trees described above, constitutes destruction or theft of Government property.

f. Firewood is for personal use only. Firewood is not to be sold.

20 JUN 2012

Chapter 8

Fishing

1. Fishing

a. Fishing in ponds and inland waters will be per references (a), (b) and the provisions of this Order.

b. Individuals using Base, and Station property to participate in salt water fishing activities including clamming, oystering, fishing, shrimping, net fishing, and crabbing in coastal fishing waters, shall comply with references (c) and (n) and Federal regulations.

c. Persons are judged to be fishing when they possess and employ equipment or devices used for catching fish for sport or commercial purposes from any land or extension therein from under the jurisdiction of the CG.

d. The locations of 10 fishing ponds available on the Base for recreational purposes are listed below. Base fishing permits are required to fish in the ponds identified with an asterisk*.

| NAME | GRID COORDINATES | ACREAGE | FISH SPECIES |
|------------------------------|------------------|---------|-----------------|
| Cedar Point Pond | 871281 | 2.0 | Bluegill, Bass |
| <u>Mile Hammock Bay Pond</u> | 874279 | 1.5 | Bluegill, Bass |
| <u>Ward Pond</u> | 872286 | 1.5 | Bluegill, Bass |
| <u>Courthouse Bay Pond</u> | 843291 | 2.0 | Bluegill, Bass |
| <u>Prince Pond</u> | 899310 | 1.0 | Channel Catfish |
| * <u>Hickory Pond</u> | 866422 | 5.5 | Bluegill, Bass |
| <u>Oak Pond</u> | 888287 | 0.5 | Channel Catfish |
| * <u>Henderson Pond</u> | 868422 | 14. | Bluegill, Bass |
| * <u>Orde Pond</u> | 854366 | 3.0 | Bluegill, Bass |
| * <u>Old Landfill Pond</u> | 846378 | 17.5 | Bass, Catfish |

e. Pond Regulations. The following regulations apply concerning fishing in ponds listed in chapter 8, paragraph 1d:

(1) It is unlawful for any person to take fish by any method except with hook and line, rod and reel except for IFE Department personnel conducting population studies in Base ponds. Natural bait to include crickets, shrimp, worms, cut bait, and artificial bait are the only baits permissible for use in these ponds.

(2) It is prohibited to use live fish as bait or release any species of fish into these ponds except fish caught from the respective pond or by biologists stocking the pond.

(3) Cast nests, trotlines, and set-hooks may not be used. Set-hooks are defined as any hook and line attached at one end only to a stationary or floating object which is not under the immediate control and attendance of the person using such a device.

20 JUN 2012

(4) Row or paddle boats and canoes, with or without battery-operated trolling motors, are the only watercraft authorized on Base ponds.

(5) Spading and digging for fish bait along shorelines of ponds is prohibited in the interest of controlling soil erosion.

(6) Discarding any type of litter along shorelines, parking areas or roads, or into ponds is prohibited.

(7) No person will feed or attempt to feed alligators anywhere on Base.

(8) Nongame fish, such as grass carp, stocked in ponds for management purposes will be immediately returned to the water. The intentional pursuit of grass carp is prohibited.

f. Pond Management. The Head, ECON may temporarily close, or implement "catch and release" regulations on managed ponds for safety, fishery management, or vegetation control purposes by posting signs at designated ponds and in the CLEO.

2. Boat Launch Sites

a. Military personnel, civilian employees, and civilians, when authorized by the CG, are authorized to launch their boats at the Onslow Beach Bridge, Mile Hammock Bay, Traps Bay, Mill Creek, Moore Road Landing, French Creek, Rhodes Point, Town Point, Weil Point, Maple Landing, and Everett Creek. Authorized personnel may launch their boats at Freeman Creek Landing provided an appropriate boat launch permit is obtained. Sportsmen will obtain an appropriate launching permit from the Base CLEO, which will authorize the person to proceed to and use the above boat landings contingent upon military training requirements. Check-in and check-out to these boat launches is not required due to compatibility with adjacent military training. If future training requirements make restricting access to these boat launches necessary, the Base and Station CLEOs will implement the closure and disseminate information to sportsmen.

b. Authorized personnel may launch their boats at Freeman Creek Landing provided an appropriate boat launch permit is obtained. Individual civilians will obtain an appropriate boat launch permit from the Base CLEO, which will authorize the person to proceed to and use the above boat landings contingent upon military training requirements.

c. Boat launch permits shall be issued only to individuals for vehicles they personally own. Permits are not transferable as to persons or vehicles. The permittee (person in whose name the permit is issued) must be present when the vehicle registered in the permit is on Base property.

d. The permittee is responsible for security of personal property and safety and conduct of all persons entering upon the Base under the authority of his/her permit. Permittees and their guests who are charged with

20 JUN 2012

violating Base, North Carolina or Federal wildlife laws while launched from MCB Camp Lejeune property under authority of a permit will have their permit revoked for not less than one year.

e. Vehicles and boat trailers will not be parked where they will interfere with launching and loading boats.

Chapter 9

Check-in, Check-out, and Harvest Reporting

1. General

a. Each person, including sponsors, hunting, fishing, scouting, or collecting firewood, are responsible for obtaining clearance (check in) from the Base CLEO prior to going into the field. (Check in refers to reporting to obtain clearance to go a field. Check out refers to reporting to terminate clearance or end trip afield.) Only licensed persons or dependents under age 13 whose accompanying parents or guardians have executed (figure 4-3, provided in chapter 4), will be allowed clearance to hunting areas. All persons allowed clearance to hunting areas are required to adhere to all hunting and safety regulations. The "buddy system" is encouraged when individual hunting in case one hunter becomes injured or lost, the other can find help. Hunters checking in without a partner should be prepared to give the CLEO an accurate six-digit grid of his hunting position.

b. Using the e-FAWCTS is required for check in, check out, and harvest reporting on MCB Camp Lejeune, and MCAS New River when the system is operational. Utilizing hard copy forms is required when the system is not operational.

c. Training on check in, check out and harvest reporting via e-FAWCTS and hard copy report cards will be provided by the Base CLEOs during issuance of permits.

d. Contingent upon hunter density and area availability except during deer season, sportsmen may be authorized to obtain a range clearance pass, upon request, for more than one area per day to hunt small game and turkey and scout.

2. Check-In and Check-Out Procedures

a. Checking in and checking out on MCB Camp Lejeune and MCAS New River will be conducted using e-FAWCTS. Persons identified in chapters 4 through 7, excluding dog trainers, must receive an area clearance pass prior to going to the field. Access to e-FAWCTS is available via <http://www.lejeune.usmc.mil/gwarden/> from personal computers or at any of the three following check stations:

- (1) MCB Camp Lejeune Mainside Check Station;
- (2) MCB Camp Lejeune Verona Loop Check Station, or
- (3) MCAS New River Check Station

b. The area clearance/hunting pass check out forms, obtained through e-FAWCTS or a hard copy Hunting Pass (figure 9-1), must be displayed on the vehicle's dashboard while participating in activities identified in chapters 4 through 7 except when dog training. The pass must be returned to the appropriate check station immediately upon leaving the field when big game is

20 JUN 2012

harvested. Failure to check out within one hour after legal shooting time on the day for which the pass was issued will result in the suspension of hunter privileges to the Base CLEO for seven days upon first offense and for 30 days upon second offense when no search was necessary. Third offense or when a search was necessary is a mandatory appearance before the Conservation Hearings Officer.

c. Checking in and checking out will be conducted via hard copy forms when e-FAWCTS is not operational. Hard copy forms and daily Hot Sheet will be available at the locations identified above. MCAS New River hard copy check in and check out forms will be available at the Verona Loop Check Station when facilities on Station are not available. Hard copy forms must be date stamped with date and time when checking in and out of hunting areas. When hard copies are used they must be dropped in the harvest box or no harvest box upon completion of the days hunt. Base and Station CLEOs will maintain check in and check out forms and Hot Sheets at the check stations for times when e-FAWCTS is not operational. Instruction for checking in and checking out via hard copy forms and e-FAWCTS will be provided to hunters while permits are being issued.

d. Checking in and checking out at MCOLF Oak Grove will be via hard copy forms located at Bldg 8526 and by calling (910) 449-HUNT. Checking in and checking out utilizing both methods is required for Station CLEO to maintain accountability of hunters in the field.

3. Harvest Reporting at Base Check Stations

a. All game taken shall be reported. Upon taking a deer, wild turkey, or bear and before moving the animal from the site of kill, the hunter must first validate the Big Game Harvest Report Card furnished with the North Carolina Hunting License by cutting or punching out the crosshair symbol next to the appropriate authorization line that identifies the big game animal harvested i.e. bear, deer, antlerless deer, or wild turkey.

b. After validation, individual hunters with big game must return to one of the appropriate check stations to report their harvest. All individual hunters must check out and report big game harvests from one of the check stations identified in chapter 9, paragraph 2a or at Building 8526 if reporting harvests at MCOLF Oak Grove. Organized hunters will report harvests through the Huntmaster or the Assistant Huntmaster.

c. The following information is required when reporting a big game harvest:

(1) Deer Harvest Reporting. The sex, weight (live or deceased), antler measurements for antlered deer, hunting weapon used, and hunting area where the deer was harvested must be provided and recorded on the area clearance pass and in e-FAWCTS. The hunter must also remove a lower jawbone, attach a provided label filled out with the hunters name, date of kill, base permit number and leave it at the check station for aging by Wildlife Staff. Note: Removal of the jawbone at the time of harvest reporting is not required if the hunter is going to have the animal prepared by a taxidermist. Providing the jawbone after a taxidermist has processed the animal is requested.

20 JUN 2012

(2) Wild turkey harvest reporting will be conducted at one of the four check stations. The sex, weight, beard length, spur measurement, hunting weapon used, and hunting area where the bird was harvested must be provided and recorded on the area clearance pass and in e-FAWCTS.

(3) Bear harvest reporting will be conducted at one of the base check stations. The sex and weight (live or deceased), hunting weapon used, and hunting area where bear were harvested must be provided and recorded on the area clearance pass and in e-FAWCTS. Hunters that harvest a bear may also remove a remove an upper premolar tooth (located directly behind the upper canine tooth), used to determine a bears age. Hunters may contact the NC Wildlife Management Division at (919) 707-0050 who will provide information on how to collect the tooth.

4. Registering a Harvest with North Carolina Wildlife Resources

a. Hunters must register any harvested bear, deer, or turkey with North Carolina Wildlife Resources within 24 hours of the harvest and before it is skinned, dressed or dismembered. Bear, deer, and turkey shall be registered in one of two ways.

(1) Call in the registration through the toll-free North Carolina Big Game reporting system, 800-I-GOT-ONE (800-446-8663) in accordance with reference (b). A touch-tone telephone is required. Have a pencil or pen and Big Game Harvest Report Card when calling.

(2) Use the Internet to register the harvest online at www.ncwildlife.org. Hunters should register each harvest only ONCE.

b. Small game species (upland game and waterfowl) are not required to be registered with the North Carolina Wildlife Resources. Small game species shall be reported at one of the base check stations or on-line via e-FAWCTS. The number of animals and the hunting area where game was harvested shall be reported for all game taken.

c. All game harvested aboard MCOLF Oak Grove will be reported to the CLEO, MCAS New River via hard copy report forms located at bldg 8562 on MCOLF Oak Grove. The harvest data collected will be consistent with chapter 9, paragraph 3c above.

Chapter 10

Disposal of Illegally or Accidentally Taken Game

1. Disposal of Illegally or Accidentally Killed Wildlife

a. When a deer is killed by reason of collision with a privately owned vehicle (POV), the traffic investigator at the scene will, upon request of the POV operator, provide him/her a written permit giving authorization to own and transport the carcass of the deer for his/her own lawful purposes. All wildlife injured or killed by government owned vehicles will be turned over to the Base CLEO for appropriate disposition per Federal and State regulations.

b. All other species of wildlife accidentally killed by motor vehicles shall be immediately surrendered by the operator to the Base CLEO or his representative. The operator will give a statement of the circumstances thereof to the Base CLEO.

c. All species of birds and animals seized or surrendered to the Base CLEO will be disposed of per current State and Federal regulations.

d. All illegally or accidentally killed or injured wildlife aboard MCAS New River, shall be turned over to the CLEO, MCAS New River for proper disposal.

20 JUN 2012

Chapter 11

Authorized Personnel, Licensing and Identification Requirements

1. Authorized Personnel

a. The following persons are authorized to conduct activities identified in this Order and to sponsor guests:

(1) Military personnel, i.e., active duty, retired, and reservists on active duty.

(2) Civilian employees.

b. The following persons are authorized to conduct activities identified in this Order:

(1) Reservists not on active duty

(2) Family members of personnel listed in chapter 11, paragraph 1a

(3) Family members of personnel listed in chapter 11, paragraph 1a must be 18 years of age or older to collect firewood.

(4) All civilians when sponsored and accompanied by licensed personnel in chapter 11, paragraph 1a. Sponsors of such persons are responsible for their conduct, safety, and supervision while conducting activities on Base, Station or MCOLF Oak Grove and must remain in the same hunting area. Guests must be with sponsors during check-in and check out for the same area. Sponsors are accountable for verifying that each person sponsored has been issued a current permit and area pass prior checking in. A sponsor may take no more than two guests on an individual hunt without written permission from the Chief CLEO. When sponsored or dependent persons have their licenses suspended or revoked, the sponsors' licenses can be similarly suspended or revoked when negligent, unsupervised, contributory, instructional, or other culpable action by the sponsor can be shown. Spousal dependents of deployed active duty members may petition the Chief CLEO for limited variance in sponsoring requirements to accomplish safety objectives in chapter 9, paragraph 1a.

2. Licensing Requirements

a. All persons authorized to hunt, fish, and trap will have in their possession a proper and valid NC or Onslow County hunting, fishing, or trapping license. Base permit applicants must first satisfy NC requirements concerning hunter safety competency prior to issuance of a Base hunting permit.

(1) A big game permit, as described in references (a) and (b), is required to hunt deer, bear, and turkey unless exempted by NC Wildlife Resources Commission Regulations.

20 JUN 2012

(2) All persons hunting migratory birds will have in their possession a valid signed Federal migratory bird stamp.

(3) All persons while hunting, fishing, and/or trapping will have appropriate license, permit, and identification identified in sections chapter 9, paragraph 2a in their possession and will display same on request to any person authorized to enforce the laws and regulations referred to and/or prescribed in this Order.

b. All applicants for Base hunting permits or area hunting passes must successfully pass the hunter safety examination administered by the Base CLEO or available online via e-FAWCTS. A successfully passed test is valid for three consecutive years unless the individual is involved in a violation or accident.

c. Copies of State regulations are available to the public when purchasing State license. Federal regulations on migratory birds are available on the US Fish and Wildlife Service website or on NC Wildlife Resources Commission website. Orders and Bulletins will be available on the CLEO website www.lejeune.usmc.mil/gwarden.

d. All persons over 13 years of age must also apply to the Base CLEO for a Base hunting or trapping permit. Unlicensed persons 13 years of age and over will not be allowed access to hunting areas. Persons 13 through 15 years of age will be allowed to hunt when under immediate control and adjacent to their licensed parent or guardian.

e. Persons under 13 years of age will not be allowed to hunt or trap but may accompany their parents or guardians provided parents or guardians have submitted the form provided in figure 4-3. All applicants whether or not active duty must execute a Waiver of Liability and Assumption of Risk Agreement and Certificate of Understanding provided in chapter 4, figures 4-3 and 4-4.

f. A Certificate of Release of the Government (figure 11-1) must be signed by all non-active duty applicants.

g. Hunters, fishermen, and trappers are required to keep application data and profile current throughout the license period.

h. All persons must apply to the Base CLEO for a Base fishing permit if they intend to fish in any managed ponds that require a permit as identified in chapter 8, paragraph 1d. Authorized persons under 16 years of age may fish without a permit or NC fishing license provided the parent or legal guardian has executed (figure 4-2), Huntmaster Standards provided in chapter 4. Persons under 10 years of age must be accompanied by a parent or guardian while fishing.

3. License and Permit Sales

a. State Licenses may be obtained at the Exchange Annex or any State Wildlife Service Agent. Payment for permits covered under this order will be made at the Exchange Annex.

20 JUN 2012

Expires 1 year
from date issued \$10.00

e. Minor Dependents' Hunting Permits: Dependents age 13 up to 16 of military personnel (including retired) and of civilian employees.

Expires 1 year
from date issued No Charge

f. Trapping Permits: Military personnel (including retired) and their dependents and civilian employees and their dependents.

Expires 1 year
from date issued \$25.00

g. Seasonal Wood Collection Permit for military personnel (active duty and retired), civilian employees, civilians with a military or civilian employee sponsor and dependants over the age of 18.

Expires 1 year
from date issued \$10.00

h. Seasonal Boat Launch Permit for military personnel (active duty and retired), civilian employees, civilians with a military or civilian employee sponsor and dependants.

Expires 1 year
from date issued Free

CERTIFICATE OF RELEASE OF THE GOVERNMENT

In consideration for the permission granted me to enter upon the Marine Corps Base (MCB) Camp Lejeune, Marine Corps Air Station (MCAS) New River and Outlying Landing Field, Oak Grove there engage in activities identified in Marine Corps Installations East-Marine Corps Base Camp Lejeune Order 5090.115, the undersigned herein does agree as follows:

I will indemnify and save harmless the government, its officers, agents, servants, and employees from all liability under the Federal Tort Claims Act (28 USC 2671, et seq) or otherwise, for death or injury suffered by any person, and for any loss on the premises.

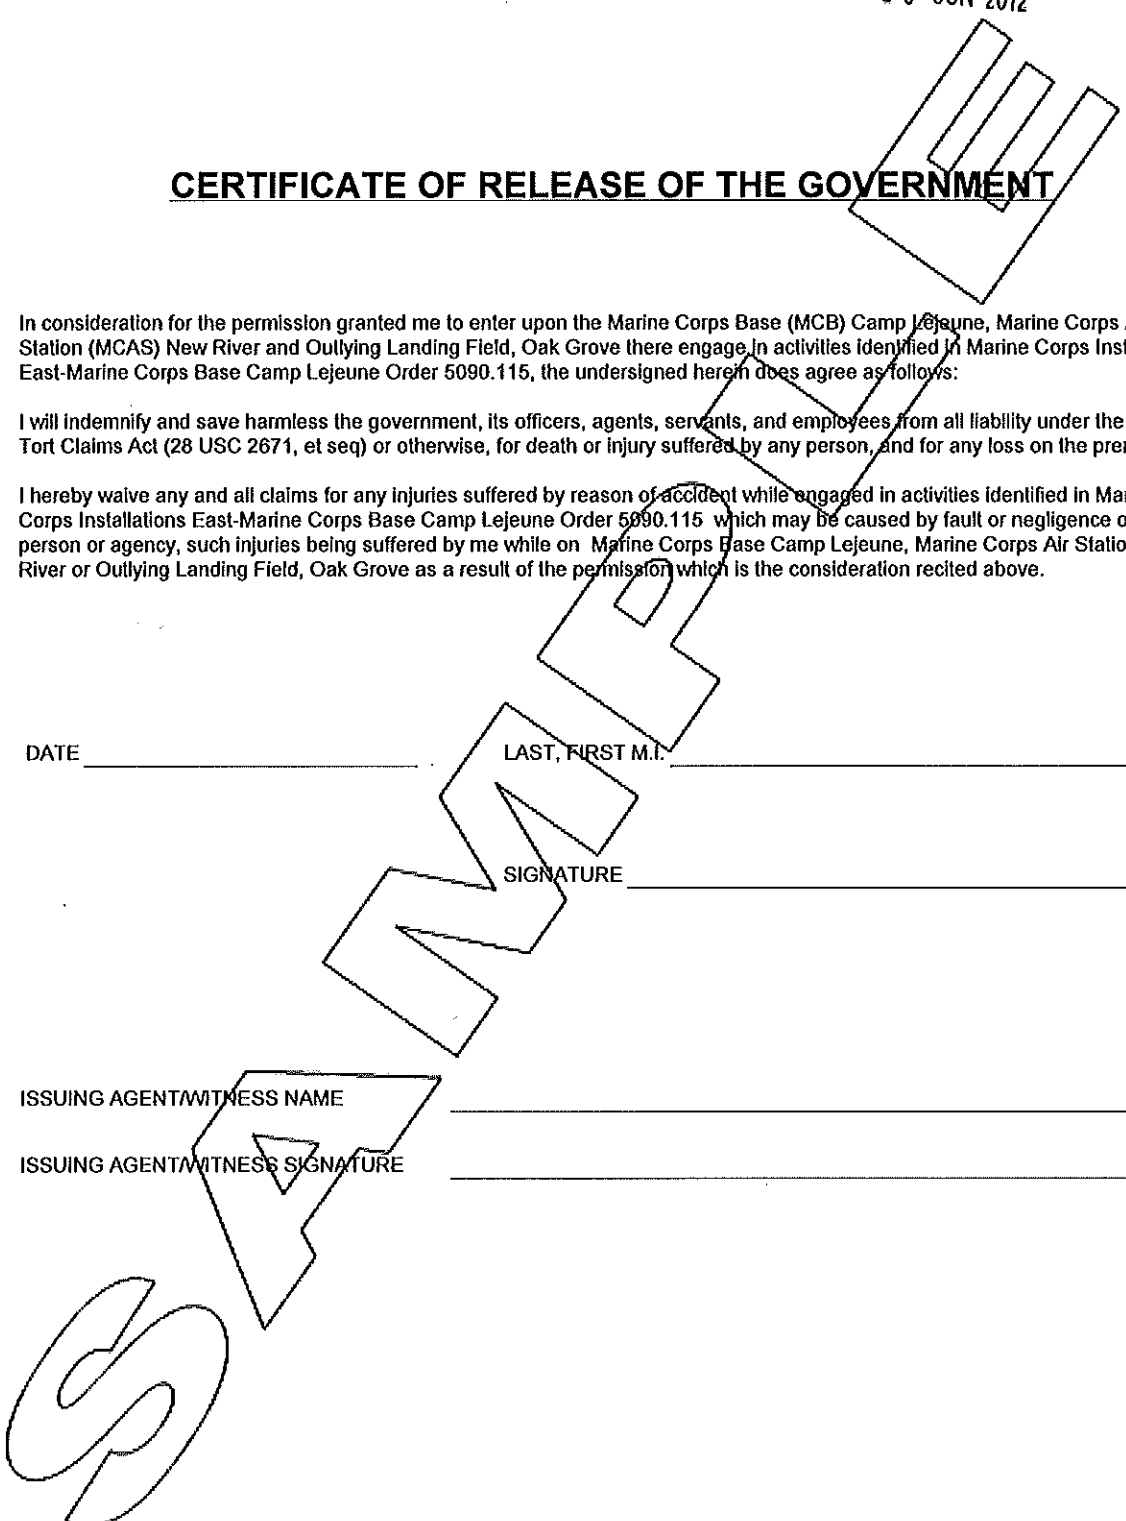

I hereby waive any and all claims for any injuries suffered by reason of accident while engaged in activities identified in Marine Corps Installations East-Marine Corps Base Camp Lejeune Order 5090.115 which may be caused by fault or negligence of any person or agency, such injuries being suffered by me while on Marine Corps Base Camp Lejeune, Marine Corps Air Station New River or Outlying Landing Field, Oak Grove as a result of the permission which is the consideration recited above.

Chapter 12

Enforcement of Regulations Identified or Referenced in This Order1. General

a. The CG maintains the policy to use all legal means available to reduce violations of regulation identified or referenced in this Order. Violators shall be educated and disciplined, as appropriate, by the most effective means available.

b. The Base CLEO shall provide guidance and assistance to the CLEO, MCAS New River in enforcement in all areas aboard MCAS New River and MCOLF Oak Grove.

2. Responsibility

a. All sportsmen shall comply with these regulations while conducting activities identified within this Order aboard MCB Camp Lejeune, MCAS New River, and MCOLF Oak Grove.

b. The Head, ECON shall supervise the Chief CLEO. The Chief CLEO shall supervise and coordinate enforcement of all regulation identified or referenced in this Order including safe hunting practices at MCB Camp Lejeune. The Station CLEO will supervise and coordinate enforcement of all regulation identified or referenced in this Order including safe hunting practices at MCAS New River and MCOLF Oak Grove.

c. Sportsman who witness or have reason to believe a regulatory violation identified or referenced in this Order has occurred or is about to occur will report violators to proper authorities. Violations should be reported to the Base CLEO at telephone 451-5226, or to central dispatch at telephone 451-3004. Violations aboard MCAS New River and MCOLF Oak Grove should be reported to the Station CLEO phone number EAD at 449-0108 or Station PMO at 449-6111, who will in turn notify the Base CLEO. All reports should include as much descriptive information as possible.

3. Conservation Law Enforcement Officers (CLEO)

a. The CLEOs are the agents through whom the CG empowers with enforcing the control of sportsmen. This includes: issuing citations, apprehending violators, and stopping vehicles on board the Base, Station, and or MCOLF Oak Grove based on competent orders or reasonable belief that a violation of regulations identified or referenced in this Order has been committed. CLEOs shall also enforce all regulations related to the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C. 3001) (NOTAL) and Archeological Resources Protection Act of 1979 (16 U.S.C 470aa to 470mm) (NOTAL).

b. No person will fail or refuse to comply with any lawful order or direction of the Base or Station CLEO.

20 JUN 2012

c. The CLEOs will conform to the standards and regulations set forth in references (i) through (m) with regards to the handling and disposition of offenders, search and seizure, use of force, and carrying weapons.

d. If a wildlife enforcement situation warrants back-up response, the Provost Marshal will assist the Base CLEO in the performance of his duties.

e. The AC/S IFE is the authority to request and coordinate law enforcement assistance from the North Carolina Wildlife Resources Commission, the NC Marine Fisheries Commission, and the U.S. Fish and Wildlife Service per reference (m).

4. Suspension or Revocation of Sportsmen's Privileges. No person will conduct activities identified or referenced in this Order within jurisdiction of MCB Camp Lejeune, MCAS New River, and MCOLF Oak Grove anytime their sportsmen's privileges have been suspended or revoked pursuant to the provisions of this Order.

5. Reporting Hunting Accidents

a. Any sportsman or other person, military or civilian, having knowledge that a hunting accident has occurred will immediately attempt to get medical assistance in the form of a licensed emergency medical technician or other qualified persons by calling 911. The caller will indicate that a medical emergency exists and will provide their name, the name of the injured party, the exact location of the injured person(s), the nature of the accident or injury, and the time the accident occurred.

b. The person requesting medical assistance will then immediately contact the Base CLEO at (910) 451-5226 or 451-3004 for central dispatch to report the accident and provide all pertinent information requested by the Base CLEO, who will investigate the accident. With an accident occurring at MCAS New River, the person will contact Station CLEO at (910) 449-0108 or EAD at (910) 449-6143 with all pertinent information. Station CLEO will coordinate with and report the accident to Base CLEO who may assist in investigating the accident.

c. When notified of a hunting accident involving a firearm that occurs on MCB Camp Lejeune, the Base CLEO will immediately inform ECON; IFE; and Security and Emergency Services (SES) that a hunting accident has occurred and will take appropriate action to secure the scene, persons, and physical evidence pertinent to the investigation. Primary investigative jurisdiction will be assumed by Base CLEO. Immediate notification will be given to Naval Criminal Investigative Service (NCIS) and the Provost Marshal Office (PMO), Criminal Investigative Division (CID) as in paragraph 5c(f), Base CLEO shall keep IFE and SES informed on the investigation. When notified of a hunting accident involving a firearm occurring at MCAS New River, or MCOLF Oak Grove, the MCAS New River CLEO will immediately inform Dir Environmental, Safety and Geospatial that a hunting accident has occurred and will take appropriate action to secure the scene, persons, and physical evidence pertinent to the investigation. Primary investigative jurisdiction will be assumed by the MCAS New River CLEO. Immediate notification shall be given to NCIS, PMO and CID as in paragraph (f), MCAS New River CLEO shall keep the Director Environmental, Safety and Geospatial informed on the investigation

20 JUN 2012

d. Within 48 hours of being notified of a hunting accident, the Base CLEO will submit a written report to IFE, of the incident, including all pertinent information and actions taken. The AC/S IFE, shall coordinate this information with the AC/S SES.

e. Upon notification of an injury, the AC/S IFE will recommend an investigation as per reference (h) if the situation warrants.

f. When a hunting accident results in death or when injury is such that death could result, the AC/S IFE, or his designee will immediately notify the NCIS Command on MCB Camp Lejeune, per reference (k), who will investigate the circumstances of the accident.

6. Search of Motor Vehicles

a. When there is reason to believe that regulation identified or referenced in this Order were violated, and when there is reason to believe that evidence of a violation may be found in a suspected offender's motor vehicle or boat, authorized persons will request consent from the alleged violator to search the motor vehicle or boat.

b. If consent is not given by the alleged offender, a search of the motor vehicle or boat will be conducted only per provisions of reference (p).

7. Processing of Violations

a. MCB Camp Lejeune citations will be issued when any provision of these regulations is violated. A copy will be furnished to the violator. The remaining copy will be forwarded to the Base Conservation Hearings Officer.

b. Upon receiving a report of violations of references (a) through (e) off Base, administrative action will be processed by the Base Conservation Hearings Officer. When civil authorities suspend/revoke an individual's hunting, fishing, or trapping privileges for a specified time, the Base Conservation Hearings Officer will suspend said individual's hunting, fishing, and trapping privileges aboard MCB Camp Lejeune for the same specified time.

c. Military, retired military personnel, dependents, and civilians involved in serious violations of State and Federal laws will be referred to the SAUSA for disposition. Violations of any state or federal law may result in a fine issued by the CLEOs issued under forfeiture of collateral scheduled for MCAS and MCIEAST properties. Fines levied by CLEOs will be paid within 30 days to the Central Violations Bureau. Fines not paid within 30 days will be issued a Notice to Appear in Federal Court. Failure to pay fines or appear in court on date and time scheduled may result in summons ordering your appearance or issue warrant for your arrest.

d. Military citations related to violations of this order may be issued only by the Base, and Station CLEOs.

20 JUN 2012

e. A citation to appear before the Base Conservation Hearings Officer when issued by a CLEO will constitute a lawful order, the violation of which may result in administrative action before the Base Conservation Hearings Officer.

8. Base Conservation Hearings Officer

a. For the purpose of this Order, the Base Conservation Hearings Officer is the administrative body responsible for carrying out the provisions of this Order per applicable regulations.

b. The Base Traffic Court Officer shall also serve as the Base Conservation Hearings Officer when hearing cases of alleged violations to this Order including references. The Base Conservation Hearings Officer will then be the body through which the CG may take administrative action against fish and wildlife violators.

c. The Command Inspector General shall provide administrative and clerical support to the Board in order to record its actions and to perform other required administrative and clerical functions.

d. The Base Conservation Hearings Officer shall establish the procedures for conducting hearings to ensure that any individuals appearing will be advised of the occasion for this appearance and the basis of and administrative action which may be taken.

e. The Base Conservation Hearings Officer shall determine whether or not, and the extent to which, an alleged violation warrants administrative action. It may consider any acts or conduct wherever they may occur of any person authorized to conduct activities identified in this order. It will not be bound by any prior adjudication in its inquiry into the circumstances surrounding alleged acts or conduct that reasonably pertain to the safe operation of a firearm by the individual whose acts or conduct are challenged.

f. Every case shall be fully and fairly heard. Persons appearing will be given an opportunity to present evidence and to make such statements as may be relevant to the circumstances of the case and the disposition thereof. Counsel may appear with any person.

g. The Base Conservation Hearings Officer may suspend or revoke any permit identified in this Order when an individual is guilty of a violation.

h. Hearings will be heard for all personnel having violations which occurred on MCB Camp Lejeune and MCAS New River in the Base Traffic Court, Building 60.

9. Enforcement Procedures. Violations of Base, State and Federal regulations identified or referenced in this Order occurring on MCB Camp Lejeune, MCAS New River and MCOLF Oak Grove will be acted upon by the Base Conservation Hearings Officer as follows:

10. Loss of Hunting, Fishing, or Trapping Privileges. If the Base Conservation Hearings Officer imposes a suspension period or revocation for violations of regulation identified or referenced in this Order the individual immediately loses privilege identified or referenced in this Order unless in the Board's discretion a later period would provide a more appropriate or meaningful penalty. Suspensions or revocations imposed by civil courts are subject to enforcement aboard MCB Camp Lejeune. Upon any subsequent revocation by the Conservation Hearings Officer, the individual will lose all privileges regulated or administered by the AC/S IFE.

11. Reports. The Base Conservation Hearings Officers will forward copies of citations and reports of action to the concerned individual's Commanding Officer or employer for information and appropriate action.

12. Rights of Appeal. Any person whose privileges related to this Order have been suspended or revoked has the right of appeal. When informed of suspensions or revocation, the individual will be informed of his appeal rights. Persons will forward appeal (original and three copies) via the chain of command to the Command Inspector, MCB Camp Lejeune. Appeals must be initiated within 10 working days from the date of notification of suspension or revocation action.

13. Reinstatement of Hunting, Fishing, or Trapping Privileges. Persons whose privileges related to this Order have been revoked through provisions of this Order may reapply in writing via chain of command to the Base Conservation Hearings Officer, after a lapse of 12 months and at three-month intervals thereafter, if desired.

20 JUN 2012

14. Violation Records. The Base Conservation Hearings Officer shall make appropriate entries of action taken and forward the findings to the ECB Department. Violation records against individuals will remain in effect for 36 months, and will be officially filed in the CLEO Office at Building PT-3. The Base CLEO will coordinate with the Provost Marshal on all reports of criminal activity.

15. Authority of Commanding Officers/Supervisors. Action taken by the Base Conservation Hearings Officer does not relieve Commanding Officers or supervisors of their responsibility to take administrative/disciplinary action, as appropriate, against military personnel of their command or civilian employees under their supervision who are in violation of this Order.
