Encl: (1) Non-Federal Entities Having Statutory Authorization for Particular Support
(2) Sample Constitution and/or By-Laws
(3) Checklist for Private Organizations and Informal Fund Activities (MCIEAST-MCB CAMLEJ/SJA/5760.1/2)
(4) Interview of Private Organizations (MCIEAST-MCB CAMLEJ/SJA/5760.1/3)

1. Situation. To establish policy and procedural guidance for support for private organizations (POs) authorized to operate aboard Marine Corps Installations East-Marine Corps Base Camp Lejeune (MCIEAST-MCB CAMLEJ) installations. According to reference (a), Department of Defense (DoD) policy requires that procedures be established for the operation of POs on DoD installations to prevent official sanction, endorsement, or support except as authorized by reference (b). Unauthorized expenditures of appropriated funds or non-appropriated funds in support of these organizations are prohibited.

2. Cancellation. MCIEASTO 5760.1.

3. Mission. This Order provides policy, guidance, information, and procedures concerning support for POs authorized to operate aboard MCIEAST-MCB CAMLEJ installations.

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Reference (a) provides policies and instructions for POs, unofficial activities, and informal funds operating on Marine Corps installations. This Order provides the guidelines upon which POs shall operate aboard MCIEAST-MCB CAMLEJ installations. Pursuant to reference (b), care should be taken to avoid preferential treatment, or the appearance thereof, as well as unauthorized official sanction or endorsement of POs.

(2) Concept of Operations. A Non-Federal Entity (NFE) is a self-sustaining organization, incorporated or unincorporated, that is not an agency of the Federal Government. They are established, operated, and controlled by any individual(s) acting outside the scope of any official capacity as officers, employees, or agents of the Federal Government. Membership in these

DISTRIBUTION STATEMENT A: Approved for public release; Distribution is unlimited.

organizations consists of individuals acting exclusively outside the scope of any official capacity as officers, employees, or agents of the Federal Government. NFES include elements of state, interstate, Indian tribal and local government, as well as POs. This Order addresses only those POs that operate on MCIEAST-MCB CAMLEJ installations with the express consent of the installation commander or higher authority. A MCIEAST-MCB CAMLEJ installation also includes any leased facility or other activity under the control of MCIEAST-MCB CAMLEJ command. Marine Corps Community Services (MCCS) concessionaires and military relief societies are excluded from this Order. Certain NFES are also controlled by specific laws, regulations, or separate DoD/Marine Corps Memoranda of Understanding (MOU) with these organizations. Enclosure (1) contains a list of those NFES having statutory authorization for particular support.

(a) As indicated in the preceding paragraph, POs are a subset of NFES. A PO is any entity which is not a Federal Governmental entity and is inclusive of both for-profit and non-profit organizations. Included are such organizations as spouse organizations, youth organizations, community service organizations, and recreation organizations other than those operated by MCCS. As stated, POs must obtain authorization to operate aboard MCIEAST-MCB CAMLEJ installations from the Commanding Officer of the respective installation. This authority is non-delegable. After the initial authorization to operate is granted by the installation commander, the installation MCCS director shall be delegated authority to manage all matters related to authorized private organizations aboard the Base. However, the initial request to become a PO must be forwarded to the local Staff Judge Advocate's (SJA) office for review.

(b) Installation commanders shall determine which POs may or may not operate aboard their installation. POs shall operate on a MCIEAST-MCB CAMLEJ installation only with the express written consent of the installation commander. Any support provided to a PO authorized to operate aboard an installation shall be in accordance with the policies and guidance contained herein and in accordance with the references. Support for youth organizations and other POs which support the quality of life requirements of Marines and their families is encouraged, but only to the extent which commanders are able to provide it without mission interference and only in accordance with the limitations of the references and applicable law.

(c) The nature, function, and objectives of a PO covered by this Order shall be delineated in articles of incorporation, a written constitution, by-laws, charters, articles of agreement, or other authorization documents before receiving approval from the installation commander to operate on the installation. Enclosure (1) is a sample of by-laws. That document shall include a description of eligible membership, and state that no person shall be discriminated against because of race, color, creed, sex, age, disability, or national origin, sexual orientation, or otherwise subjected to unlawful discrimination. That document shall designate management responsibilities, including accountability for assets, satisfaction of liabilities, disposition of any residual assets upon dissolution, and any other documentation that shows responsible financial management and shall state that members understand they are personally liable, as provided by law, if the assets of the PO are insufficient to discharge liabilities.

(d) Installation commanders shall maintain a continuing review of facilities, programs, and services operated or provided by POs operating on MCIEAST-MCB CAMLEJ installations and ensure that membership provisions and purposes forming the basis for approval of each organization still apply and justify continuance. Substantial changes to those original conditions shall necessitate further review, documentation, and approval by the installation commander for continued permission to operate on the installation.

11 FEB 2013

(e) Installation commanders will take the necessary action to withdraw consent for any PO operating on the military installation that is contrary to the provisions of the references, this Order, or for any reason deemed sufficient.

(f) POs operating on MCIEAST-MCB CAMLEJ installations may use the name or abbreviation of the DoD, a DoD Component, organizational unit, or installation in its name, provided that its status as a PO is apparent and unambiguous and there is no appearance of official sanction or support by the DoD or the Marine Corps. The PO must have approval from the appropriate DoD organization whose name is being used before using the name or abbreviation. Any use of the words "Marine Corps," "USMC," and unit or installation names or abbreviations, or any derivation thereof must be coordinated with the Marine Corps Trademark and Licensing Office located within Headquarters, U.S. Marine Corps Public Affairs (703-614-7678) for approval or disapproval. Any use of the name or abbreviation of a DoD Component, organizational unit, or installation must not mislead members of the public to assume a PO is an organization of the DoD. A PO must display the following disclaimer on all print and electronic media mentioning the PO's name confirming that it is not part of the DoD: "THIS IS A PRIVATE ORGANIZATION. IT IS NOT PART OF THE DEPARTMENT OF DEFENSE OR ANY OF ITS COMPONENTS, AND IT HAS NO GOVERNMENTAL STATUS." This disclaimer must also be provided in appropriate oral communications and public announcements when the name of the PO is used.

(g) POs will not compete with MCCS revenue generating businesses or engage in retail activity except with the express written consent of the installation commander following consultation with the installation MCCS director and SJA. Installation commanders are authorized to eliminate duplication of services, particularly when these services are found to be in competition with the installation's revenue generating activities.

(h) POs are prohibited from selling alcoholic beverages on any MCIEAST-MCB CAMLEJ installation. Those POs permitted to use Government facilities will not distribute or possess alcoholic beverages on any MCIEAST-MCB CAMLEJ installation unless authorized to do so.

(i) Fundraising and membership drives are governed by reference (b), any applicable installation policy, and any applicable MCCS standard operating procedures pertaining to the administrative oversight of POs.

(j) POs will also remain in compliance with this Order at all times. If a PO is found to be in violation of this Order, the installation commander will review the facts and circumstances in consultation with the installation MCCS director and the SJA, and decide the appropriate course of action. Such actions may range from the issuance of a warning to immediate revocation of all base privileges.

b. Subordinate Element Missions

(1) Installation Commanders shall:

(a) Serve as approval authority for requests by POs to operate aboard the installation. All requests must be in writing. Only the Installation commander is authorized to approve requests from POs to operate aboard the installation. The PO must primarily benefit service members and their families. Installation commanders may revoke a PO's authorization to operate aboard the installation at any time. The Installation commander cannot delegate these authorizations and must document his/her decisions in writing.

11 FEB 2013

(b) Maintain and update a list of POs authorized to operate aboard the installation no later than 1 January of each year. This list will be forwarded to the Command Inspector General (CIG), MCIEAST-MCB CAMLEJ.

(c) Ensure widest dissemination of the contents of this Order to all POs authorized to operate on the installation. Educate POs, subordinate commanders, staff, and tenant commanders on the requirements of this Order and any supplemental installation order concerning the presence of POs on the installation.

(d) Designate MCCS, in writing, as the staff section responsible for providing general administrative oversight of POs at the installation.

(e) Direct a legal review of every PO and PO's request to operate aboard the installation.

(f) For the purposes of PO logistical support requests made pursuant to section 3-211(b) of reference (b), designate non-Federal work areas in writing.

(g) Enter into a MOU with each PO authorizing their operation aboard the installation. The MOU must include all the requirements listed in this Order and any other applicable regulations.

(h) Direct all POs operating on base with gross annual revenues in excess of \$2,500 to produce an independent annual audit no later than 60 days after the end of their fiscal year. MCCS shall annually review the ledgers of all POs operating on base with gross annual revenues of \$2,499 or less. Annual review of financial records such as balance sheets are required from all POs authorized to operate aboard the installation. Report any PO that earns income in excess of \$1,000 per on-installation fundraising event or more than \$12,000 a year to the CG.

(2) CIG shall:

(a) Include the requirements of this Order in the Commanding General's Readiness Inspection checklist.

(b) Perform compliance inspections of POs operating aboard MCIEAST-MCB CAMLEJ installations using enclosures (2) and (3).

(c) Execute investigations as may be directed by CG MCIEAST-MCB CAMLEJ.

(3) Assistant Chief of Staff, G-1 shall: Appropriately staff any recommendations for changes to this Order.

(4) Assistant Chief of Staff, G-F, and Environmental shall: Coordinate with the command-designated MCCS representative and Naval Facilities Engineering Command on all real estate issues to ensure compliance with applicable references and directives. Although MCCS has the lead on maintaining files on every PO authorized to operation on the installation, G-F should maintain records of real property out-grants.

(5) Assistant Chief of Staff, MCCS shall: Create and maintain a file on every PO authorized by the installation commander to operate aboard the installation. This file must contain the PO's authorization documents (e.g., by-laws), the local SJA's legal opinion, the PO's written request to operate aboard the installation, the installation commander's authorization to operate aboard the installation, and proof of insurance or installation commander's

written waiver, together with signed hold harmless agreements from each member of the organization's executive leadership. POs shall have adequate insurance to protect against public liability and property damage claims or other legal actions that may arise as a result of activities of the organization or one or more of its members acting on its behalf, including the operation of any equipment, apparatus, or device under the control and responsibility of the PO. All PO members must have a signed hold harmless agreement to be kept on file within the organization, and all required real property out-grant documents.

(6) Comptroller shall:

(a) Review audits submitted by CIG performing compliance checks on POs operating aboard MCIEAST-MCB CAMLEJ installations.

(b) Assist G-F with necessary expense determinations and other fiscal issues concerning POs.

(7) SJA shall: Conduct a written legal review of every PO's initial request to operate aboard the installation.

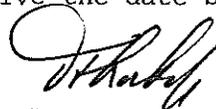

(8) Business Performance Office shall: Coordinate review of the MOU between the Installation commander and the POs authorizing their operation aboard the installation.

5. Administration and Logistics. Recommended changes to this Order should be forwarded to the CG. Waivers from the policies in this Order must be authorized in writing by Deputy Commandant, Manpower and Reserve Affairs (DC M&RA (MR)) or installation commander, when DC M&RA (MR) approval is not required. All policy waivers will be requested and issued through appropriate Marine Corps channels.

6. Command and Signal

a. Command. This Order is applicable to all MCIEAST-MCB CAMLEJ installations. This Order does not apply to the activities of MCIEAST-MCB CAMLEJ Non-Appropriated Fund Instrumentalities, billeting funds, and chaplain's religious offering funds.

b. Signal. This Order is effective the date signed.
