2d MarDi V		Travel essential to operations and in support of New Normal activities (6 Marines)	Property National Security: military operations and activities authorized by deployment or execute orders, or otherwise approved by the Secretary of Defense, and determined to be necessary for National Security; command, control, communications computer, intelligence, surveillance,	Marines involved will travel to conduct a site survey in advance of a directed deployment. The survey allows 3rd Battalion, 8th Marines to prepare for incoming deployment ISO SPMAGTF-CR. The timing of this site survey supports the operational availability of deploying and re-deploying staffs and commanding officers. Delay to the site survey would hinder unit Training and Exercise Employment Plan, which may also delay PTP completion. Training and exercises required to prepare for and carry out excepted operations.	Approval
