1. Situation. This Order promulgates policy and guidance for establishing, managing, training, equipping, and employing Security Augmentation Forces (SAF) at all Marine Corps Installations East (MCIEAST) Installations, in accordance with reference (a) and higher headquarters guidance.

2. Mission. In accordance with reference (a) and this Order, Installation Commanders shall establish, train, manage, and employ SAFs to reinforce their Installation Provost Marshal's Offices (PMO)/Marine Corps Police Departments (MCPD) to ensure the security and safety of personnel and assets.

3. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. To establish SAFs at MCIEAST Installations to meet security requirements which exceed the organic capabilities of Installation PMOs/MCPDs. The SAFs shall be activated primarily to meet requirements for elevated Force Protection Conditions (FPCONs), and shall be employed under Installation PMOs/MCPDs fulfilling duties as the SAF commanders. End-State: A secure and safe environment for MCIEAST Installations' personnel and assets.

(2) Concept of Operations

(a) The SAF shall be activated during elevated FPCONs, increased threat situations, in extremis situations, or emergencies to ensure Installation security. SAF may be employed for special events which require additional forces to perform security functions.

(b) SAFs shall consist of Installation personnel and II Marine Expeditionary Force (MEF) personnel. II MEF shall provide personnel support in accordance with references (a) and (b), primarily in response to elevated FPCONs.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

19 DEC 2016

(c) SAF personnel will be employed at posts and performing duties focused on perimeter security and installation entry control points/gates.

(d) SAFs shall be trained and capable of providing security augmentation support when required. For planning purposes, SAF personnel shall be employed during elevated FPCONs as follows; however, the employment duration may fluctuate depending on the threat environment:

1. FPCON Bravo: Indefinitely
2. FPCON Charlie: 30 days or less
3. FPCON Delta: 14 days or less

b. Tasks

(1) MCIEAST-Marine Corps Base, Camp Lejeune (MCB CAMLEJ)

(a) Assistant Chief of Staff (AC/S), G-3/5

1. Serve as the office of primary responsibility for the Regional MCIEAST SAF Program, specifically regional policy and oversight in accordance with the references.

2. Conduct an annual revalidation of MCIEAST Installations' FPCON SAF requirements in accordance with reference (b). Provide the results to MCIEAST-MCB CAMLEJ G-1, II MEF G-1, and II MEF G-3.

3. Provide ongoing maintenance of this regional directive, including annual review and updates as necessary.

4. Coordinate MCIEAST Installations' requests for activating II MEF SAF support with II MEF G-3.

(b) AC/S, G-1. Provide manpower administrative support for the MCIEAST SAF Program. Serve as the regional point of contact for all manpower administrative issues related to SAF execution.

(c) AC/S, G-4. Provide transportation support as required to move SAF personnel to regional Installations requiring SAF augmentation. Support and coordinate submitted equipment requests for SAF personnel assigned to Headquarters and Support Battalion (H&S BN), MCIEAST-MCB CAMLEJ.

(d) AC/S, G-8

1. Provide necessary funding for SAF training, employment, and temporary additional duty (TAD) costs, as required.

2. Capture all costs associated with SAF training and employment.

(e) Commanding Officer, H&S BN, MCIEAST-MCB CAMLEJ

1. Provide augmentation support to MCB CAMLEJ, Marine Corps Logistics Base (MCLB), Albany, and Marine Corps Support Facility (MCSF), Blount Island during FPCONs Charlie and Delta, as required. Personnel

support will be determined by the annual revalidation of security personnel shortfalls. The most current revalidation results can be obtained from the MCIEAST-MCB CAMLEJ G-3/5.

2. Ensure H&S BN SAF personnel qualifications listed in the coordinating instructions are adhered to.

3. Provide security ammo for deploying personnel as required and Table of Operation (T/O) weapons for H&S BN SAF personnel. Ensure these weapons are battle-sight zeroed by H&S BN SAF personnel and maintained for their use only.

4. With the assistance of the MCB CAMLEJ SAF Commander, ensure all SAF personnel are trained in accordance with reference (a) or higher headquarters guidance.

5. Ensure personnel assigned to the SAF participate in MCB CAMLEJ exercises, and coordinate with MCB CAMLEJ PMO as required to meet quarterly training requirements set forth in reference (a).

6. Maintain the required number of personnel on the SAF and provide for timely replacement and relief. Notify the Installations' SAF commanders of personnel replacement and training requirements.

7. When employed, the Installation Commanders assume operational control of H&S BN SAF personnel regardless of the FPCON.

8. Retain administrative control of personnel employed less than 30 days. SAF personnel will be issued no-cost TAD orders when undergoing training in the local CAMLEJ area, or during short periods of SAF employment less than 30 days in the local CAMLEJ area. The no-cost TAD orders will serve to ensure personnel accountability is maintained throughout training or employment of the SAF for these short durations.

9. Issue funded TAD orders when SAF duty is required away from the permanent duty station, e.g., TAD to MCLB Albany or MCSF Blount Island. Coordinate with the AC/S, G-8 for an assigned special interest code (SIC) to capture the SAF costs to ensure reimbursement.

10. Issue funded TAD excess orders upon employment of the SAF away from the permanent duty station in an enduring FPCON or when in excess of 30 days. Coordinate with the AC/S, G-8 for an assigned SIC to capture the SAF costs to ensure reimbursement.

(2) MCIEAST Subordinate Installations

(a) Establish an Installation SAF Program.

(b) Develop a local directive in accordance with reference (a) and higher headquarters guidance that promulgates policy and guidance for establishing, managing, training, and employing the SAF.

(c) Submit requests for SAF support to MCIEAST-MCB CAMLEJ G-3/5 via Naval message.

19 DEC 2016

(d) Be prepared to conduct an annual revalidation of FPCON SAF requirements in accordance with reference (b), when directed by MCIEAST-MCB CAMLEJ G-3/5.

(e) Maintain control and accountability of assigned SAF personnel during employment via the Provost Marshal/Police Chief or other appropriately appointed SAF Commander.

(f) Provide basic life support functions and logistics support to SAF personnel when activated and assigned. Life support includes, but is not limited to, billeting and messing facilities.

(g) Provide armory support to store all SAF weapons when the SAF is activated.

(h) Ensure sufficient ammunition for all SAF weapons is on hand and ready for issue.

(i) Ensure SAF personnel qualifications listed in the coordinating instructions are adhered to. Personnel not meeting SAF qualifications will be returned to their respective command, outlining the reason(s) for disqualification and a request for a qualified replacement.

(j) Ensure SAF personnel performing security duties are armed in accordance with references (c) through (f). Ensure that prior to being employed, SAF personnel have been properly trained in the use of force per references (f) and (g), and are qualified with their weapons in accordance with references (c), (e), (f), and (h).

(k) Ensure SAF personnel perform quarterly security duties or attend training to maintain preparedness for SAF employment.

(l) Maintain an organic installation SAF for immediate call-out and special events. Due to resource constraints, logistics, and transportation requirements, II MEF forces are intended for elevated FPCON employment vice special or localized events.

(3) Commanding General, II MEF

(a) In accordance with references (a) and (b), identify and provide the required number of personnel to serve on MCIEAST installations' SAFs during elevated FPCONs, as determined by the annual revalidation of MCIEAST Installations' security personnel shortfalls. The most current revalidation results can be obtained from MCIEAST-MCB CAMLEJ G-3/5.

(b) Ensure SAF personnel qualifications listed in the coordinating instructions are adhered to.

(c) Provide T/O weapons for II MEF SAF personnel. Ensure these weapons are battle-sight zeroed by II MEF SAF personnel and maintained for their use only.

(d) With the assistance of the Installations' SAF Commanders, ensure all SAF personnel are trained in accordance with reference (a) or higher headquarters guidance.

19 DEC 2016

(e) Provide personnel assigned to the SAF to participate in installation exercises when possible to maintain SAF readiness.

(f) Maintain the required number of personnel on the SAF and provide for timely replacement and relief. Notify the Installations' SAF commanders of personnel replacement and training requirements.

(g) When employed, the Installation commanders assume control of II MEF SAF personnel.

(h) Retain administrative control of personnel employed less than 30 days. SAF personnel will be issued no-cost TAD orders when undergoing training, or during short periods of SAF employment less than 30 days. The no-cost TAD orders will serve to ensure personnel accountability is maintained throughout training or employment of the SAF for these short durations.

c. Coordinating Instructions

(1) Installations shall pay attention to and comply with the criteria set forth in reference (b).

(2) Security forces shall stand a maximum of four shifts in FPCON Bravo and two shifts in FPCONs Charlie and Delta.

(3) In accordance with reference (a), SAF personnel shall not be currently receiving treatment for mental health-related illnesses such as Post Traumatic Stress Disorder, have no drug or alcohol dependencies, no felony-level convictions, and be in compliance with the Lautenberg Amendment (reference (d)). Any arrests and apprehensions for crimes identified in references (c) through (f) are automatically disqualifying and shall remain so if the arrest or apprehension results in a felony-level conviction. Additionally, SAF personnel shall not be assigned to the Family Advocacy Program or Force Preservation Program when employed. Personnel must maintain a positive general attitude and not display any pattern of substandard performance or unacceptable conduct during their assignment to the SAF.

(4) SAF personnel shall be assigned for a minimum of six months. This will ensure they receive initial training, quarterly watch assignments or training, and the opportunity to participate in exercises. Consideration should be given to longer assignments whenever possible to retain experienced personnel, reduce requirements for training and firearms qualification/ammunition, and to limit the amount of equipment issuance and re-issuance.

(5) Personnel assigned to the SAF must have a minimum of 60 days of obligated service left on contract after their scheduled SAF rotation date.

(6) SAF personnel shall report no later than 48-hours after notification of SAF activation. An entire SAF may be recalled or specific members may be recalled. During the period of recall, all SAF personnel are under the control of the Installations' SAF Commanders and shall not be released without authorization of the Installation Commanders.

(7) For training, qualification, and sustainment purposes, each member of the SAF shall be required, at a minimum, to perform one standard

19 DEC 2016

watch/training day quarterly. Posting and training assignments should be made with the intent of familiarizing individuals on the posts and duties they are expected to stand and perform when actually recalled. Individual SAF members assigned during periods which include quarterly and annual exercises shall participate as part of the members' ongoing training and qualification program.

(8) When activated, SAF personnel shall report with the following minimum equipment:

- T/O weapon (M-16/M-4 rifle or 9mm pistol) with two magazines, magazine pouches, sling, and holster (drop-holster preferred), as appropriate
- Belt, equipment, individual (if no drop-holsters)
- Light-weight helmet with pads and cover
- Modular tactical vest
- Hydration system (Camelback) or canteens
- M50 field protective mask with spare filters

4. Administration and Logistics. This Order has been coordinated and concurred with by II MEF.

5. Command and Signal

a. Command. This Order is applicable to all MCIEAST Installations, subordinate, and tenant commands.

b. Signal. This Order is effective the date signed.
