Office Furniture	
71-1	<p>Packaged Office</p> <p>The packaged furniture categories provide the ability to manage an entire project with one purchase order for products from a variety of manufactures. Packaged Contract vendors can partner with authorized GSA contract manufacturers, qualified to service federal government customers. These vendors can provide turn-key furniture solutions to government agencies with requirements for products and services under one purchasing event.</p> <p>In addition to entire projects, the packaged furniture categories give vendors the flexibility to partner with any furniture manufacturer nationwide. The multiple award GSA FSS for Packaged Furniture Contracts differ from standard multi award schedules by providing contractors the ability to offer a "package of items" for an office and conference room from a variety of manufacturers.</p>
711-1	<p>Furniture Systems and Workstation Clusters</p> <p>A furniture system is a system of furniture components designed to provide a comprehensive office furniture environment through the ability to create a variety of workstation configurations and generally includes interconnecting, structural panels as central integrating elements or may employ rails, beams, frames, uprights, cores, or freestanding based elements. Panels/privacy screens, worksurfaces, overhead storage and shelving pedestals, filing, task management systems, lighting, electrical, wire management and similar items comprise furniture systems and workstation clusters. Workstation clusters are workstations generally arranged around a central point and which have a fixed footprint. Floor to ceiling demountable walls, partial height walls, and spine type walls which accommodate system furniture components are acceptable as part of or in conjunction with a furniture systems line. "Systems" consisting of traditional conventional furniture such as desks, returns, carrels, credenzas, etc. are not acceptable.</p>
711-2	<p>Worksurfaces, Workstations, Computer Furniture and Accessories</p> <p>Includes items such as worksurfaces, workstations, workstation modules, moveable workstations, data or task stations, PC workcenters, desks, credenzas, computer tables, printer stands, pedestals, enclosure systems for computer equipment, computer consoles and computer stackers. Includes related accessories such as: L-returns, bridge units, worksurface and table extensions, overhead storage modules and shelves, desk carrels, modesty panels, above the worksurface privacy screens, terminal tilt platforms, turntables, tackboards, vertical CPU holders or stands, keyboard or pencil/center drawers, casters, locks, monitor support units, wrist rest, grommets, wire management, data & electrical components.</p>
711-3	<p>Filing and Storage Cabinets, Shelves, Mobile Carts, Dollies, Racks & Accessories</p> <p>Includes items such as vertical & lateral filing cabinets, multimedia storage cabinets, storage & shelving systems, wardrobes, overfiles, combination storage & wardrobe units, hybrid type storage units, open cabinet shells, open shelves, shelf files, bookcases, map & plan files, racks for hanging files or tape seals, mobile carts & dollies for the transportation of printouts/tapes/cassettes. Desktop filing systems are not included.</p>
711-8	<p>Executive Office Furniture</p> <p>Includes desks, table desks, reception stations, workstations in "L", "U" and other configurations which include units such as desks, desk attachments, bridge units, corner units, knee-hole credenzas, & peninsulas. Freestanding credenzas, credenzas with attached overhead storage unit/hutch & file cabinets (lateral & vertical). Bookcases, computer support furniture such as printer stands & VDT tables, work & console tables. Occasional tables such as end, coffee & lamp tables. Accessories designed to be used with above furniture such as wire management grommets, channels & tracks, stationary organizers, stationary inserts, additional drawer partitions, felt center drawer liners, wastebaskets, tackboards, tasklights & shelf dividers.</p>
711-18	<p>Multipurpose Seating</p> <p>Rotary chairs that utilize a pedestal base with casters. Stationary chairs that utilize a sled base, cantilever, "O" frame, or straight leg style. Ergonomically designed chairs that are rotary, have seat and/or back tilt, pneumatic seat height adjustment. Rotary drafting-style chairs with foot ring or footrest, with or without arms, with glides or casters.</p>

Dorm and Quarters	
71-200	<p>Dormitory and Quarters Packaged Rooms</p> <p>The packaged furniture categories provide the ability to manage an entire project with one purchase order for products from a variety of manufactures. Packaged Contract vendors can partner with authorized GSA contract manufacturers, qualified to service federal government customers. These vendors can provide turn-key furniture solutions to government agencies with requirements for products and services under one purchasing event.</p> <p>In addition to entire projects, the packaged furniture categories give vendors the flexibility to partner with any furniture manufacturer nationwide. The multiple award GSA FSS for Packaged Furniture Contracts differ from standard multi award schedules by providing contractors the ability to offer a "package of items."</p>
71-204	<p>Dormitory, Quarters and Residential Casegoods and Beds. Mattresses comply with applicable flammability requirements.</p> <p>Furniture pieces designed for household, quarters and dormitory use and made from a variety of materials including wood, metal, wood/metal, stone, and/or glass. Ready-to-assemble (RTA) versions of the furniture are also available under this SIN. Residential dining room items include, but are not limited to, dining tables, china cabinets, buffets, sideboards, servers, huntboards, baker's racks, breakfronts, corner cupboards, etageres, and curio/display cabinets. Casegoods include, but are not limited to, dressers (low and conventional height), chests, bureaus, low boys, high boys, vanities (including companion benches), nightstands, mirrors, wardrobes, clothing centers, clothes trees, coat racks, hall trees, armoires, entertainment units, TV stands/cabinets, bookcases, wall units, table desks, student desks, secretaries, home office type workstations, matching file cabinets, and tables, including occasional, guest, dinette, and game types. Bed items include, but are not limited to, headboards, bed frames, headboard and footboard sets, bed rails, captain's beds, bunk beds, wall beds, roll-about and other portable beds, bed accessories including bed steps, bedside stools and benches, blanket racks, underbed storage units, and safety rails. Mattresses and mattress/boxspring sets must only be purchased with an accompanying bed unit. Notes: Bunk beds designed for household use comply with ASTM F-1427 Standard Consumer Safety Specification for Bunk Beds and have guardrails and ladder. Bunk beds designed for dormitory use by adults meet more stringent test requirements. Customers are required to contact UNICOR (Federal Prison Industries, Inc.) when ordering mattresses without an accompanying bed unit. Wall beds comply with the applicable performance and safety requirements. Mattresses comply with applicable flammability requirements.</p>
